THE OTHER WAR

While President-select Bush has declared victory in Iraq, another war continues unnoticed by all but its victims. It's called the War on Drugs, and it's been raging since 1972, when it was first declared by President Nixon. Having been seriously escalated in 1986, when President Reagan pushed mandatory minimum-sentencing laws through Congress, this war has cost American taxpayers nearly a trillion dollars in the last 30 years. That's money out of our pockets that we can never get back. And for what? Drugs are just as easy, if not easier, to obtain than they have ever been.

Currently, 2 million men and women are behind bars, due mostly to our drastic drug laws. More than 80% of the increase in the federal prison population from 1985 to 1995 was due to drug convictions, while half the cost of law enforcement and prisons is wasted on drug-related, mostly nonviolent crime. According to the U.S. Sentencing Commission, only 11% of all federal drug defendants are high-level drug dealers.

Now the Ashcroft Justice Department has zeroed in on states whose citizens voted for exemptions for medical marijuana: Alaska, Arizona, California, Hawaii, Colorado, Nevada, Maine, Oregon and Washington. An important California case that may ultimately be decided by the U.S. Supreme Court involves Ed Rosenthal, a deputized officer of the city of Oakland who's licensed to grow medical marijuana. He was recently convicted of being a major drug trafficker by a jury that was prevented from knowing that Mr. Rosenthal was actually enforcing the laws of his state. It's ironic that while the Bush government proudly boasts of its belief in states' rights, it doesn't mind trampling on those very same rights when doing so suits its obscene agenda.

If you still don't recognize that the whole War on Drugs is turning our justice system upside down, consider Sec. 878 of the Homeland Security Act, which allows the government to throw you in jail, deny you an attorney and try you by a military tribunal if you are caught selling or using even a minor drug such as marijuana. The Justice Department can do this, apparently, by claiming that the drugs came from terrorists and that you, as a seller or user, are supporting them. Gathering evidence against you has become easier as well. Thanks to Sec. 878, if they even suspect you of being involved with drugs, they have the right to search your residence and other property including your car and computer files. They are also free to interrogate your friends, neighbors and associates, all without obtaining a court's permission. So much for the Fourth Amendment.

Add to the above the abuses regarding property seizures, and it's absolutely clear that it's time to end the War on Drugs. It is, after all, a war that is being waged by hypocrites and religious zealots against the people of the United States. Enough, I say.

If the Shoe Fits....

Regarding Bill O'Reilly being *Asshole of the Month* (July HUSTLER), I wouldn't call him an asshole, but I definitely would say he is dead wrong on the Jenna Jameson Pony endorsement issue. I really dislike it when someone tries to tell me what my value system should be. So Jenna gets a sneaker ad; big deal. The weak argument is that it might send a negative image to teen girls. I say that if a young girl is interested in doing porn by watching the ad, then God bless her. But there is a way to fight back: Support the sponsors, and go buy a product now and then. Put these pinheads in their place. They think they are the moral majority when they are really the bullying minority. —A. J.

Reston, Virginia

Down-Lo on J.Lo

Thank you for the picture of J.Lo *sans culotte* in the June issue of HUSTLER ("This Is Her...Now," *Bits & Pieces*). It reconfirms that she likes to keep her pussy fuzz-free. A story in a British magazine reported that while in the U.K. to promote her new film, she visited a beauty parlor to have her pubic hair removed. The beautician and the salon manager explained that they did not do the full removal, only the bikini line. Going into "do you know who I am?" mode, she insisted, and the beautician reluctantly agreed. Back at the hotel, J.Lo examined the result (quality control or narcissism?) and found one single hair remaining. Removing it with tweezers, she returned to the beauty parlor and, brandishing the rogue hair, berated them for bad workmanship. I'm sure HUSTLER has access to many anecdotes like these, and they would make a great feature article. Such a piece would be in keeping with HUSTLER's tradition of deflating self-important nonentities who believe their own publicity! —P. C.

Annemasse, France

We have no idea if this story is true, P. C., but it certainly is amusing. For more on the lovely and controversial J.Lo, turn to page 18, where we display a better use for her mouth than haranguing the hired help.

Old School

Your new feature, "Celebrity Fantasy," is great. Here's my nomination: What a sheer thrill it would be to see a smiling Raquel Welch with a dick in her sweet mouth. I would instantly cream in my pants. —T. W.

Right Jab

Happy 29th anniversary to HUSTLER, the king of smut, sexy and delicious women, and the loud voice of porn. Unfortunately, the right-wing town I'm stuck in is so damn reactionary that it's next to impossible to buy any adult-entertainment materials. I greatly appreciate how the Flynt empire goes after the Religious Right and the conservative factions that think Bush is such a great leader. As a liberal living in a square town with conservative ideals, I very much appreciate the way Larry Flynt stands up for our rights. —D. C.

Titillating Tara

I opened up your latest issue and found the most beautiful model I have ever seen in any magazine. Tara is simply outstanding (*Tara: Tuft Love*, August HUSTLER). I will not go through a list of body parts or facial qualities, other than to say that she is perfect. —D. J.

Kudos From Kurkuk

We are paratroopers from Jackass Platoon 1/508th Infantry Airborne 173rd Airborne Brigade based in Vicenza, Italy, where we are accustomed to many beautiful women. On the 26th of March, we parachuted into northern Iraq. We are currently in the city of Kurkuk instilling law and order. Because of this, we are working 18 to 20 hours a day, eating ready-to-eat meals and dreaming about going home. We don't even have alcohol. Working these hours leaves very little time for leisure. Because of the religion and culture in the Muslim world, we have not seen a real woman since we got here. The only ones we've seen are in the May and June issues of HUSTLER. We really like

Taya (*Taya: Knockout*) in the June edition. She is so hot. Being paratroopers, we are trained to adapt and overcome any situation, but this situation is nonadaptable. We are asking your help in boosting morale any way that you can. When we return to Italy, we all look forward to buying more copies of your magazine.

No alcohol? That's absolutely uncivilized. Our editorial assistant has assured us that he is sending a care package to the platoon posthaste. If you can't have any booze, at least enjoy some cooze on us. We applaud you for your loyalty.

Krystal Crazy

I have been reading your magazine off and on for 30 years. The last two years I've been a subscriber. I enjoy the reading, but the pictorials are what really grab my attention. You have outdone yourself with Krystal (*Krystal: Light My Fire*, July HUSTLER). Of all the women I have ever seen in HUSTLER, she is the hottest, next to Jenna Jameson. Seeing those zebra nails wrapped around that zebra-striped dildo up her cunt made me come! She is so hot that I keep this issue close by at all times. Keep up the good work.

Black-Balled

I am writing to ask when you will have HUSTLER interracial videos available. I love your magazine and videos, but I would love to see young, beautiful girls being fucked by a black man who's hung like a horse. You create the best magazine money can buy, and I will always be a subscriber. —T.H.

Scratch for Snatch

I am a longtime fan of HUSTLER. The beauty of your models and the quality of your journalistic integrity is, and always will be, unsurpassed. How about some more scratch-and-sniff centerfolds? ASSHOLE OF THE MONTH

WILLIAM BENNETT

There are few sure bets in life. However, one could never lose by wagering that William Bennett, HUSTLER's October 2003 Asshole of the Month, is a hypocritical turd.

Bennett's résumé reads like a handbook for two-faced inefficacy. Appointed secretary of education by Ronald Reagan, Bill effectively dismantled the agency he was paid to lead. Later, as drug czar under George H.W. Bush, Bennett railed against drug addicts while indulging in a reported three-pack-a-day cigarette habit.

Since then, Bennett has served as self-appointed national scold, a finger-wagging fatass who barges onto the airwaves, op-ed pages and bookshelves to tell us all how we have failed in his moral estimation. Do you watch *The Simpsons*? Enjoy rap music? Then you, in Bennett's eyes, are responsible for plunging America face-first into the toilet.

As an author, Bennett is best known for *The Book of Virtues*, a tome consisting mostly of cobbled-together parables that he did not even write. In one of the rare passages that Bennett did pen, he chastises the public's "failures to control [their] tempers, appetites, passions and impulses." This call to temperance is odd, coming from a man who makes his living belligerently upbraiding others and whose girth suggests a profound inability to curb his own appetite.

Not even a national tragedy could stanch his bullshit. Shortly after the September 11 attacks, Bennett dashed off *Why We Fight*. Even amid the near-unanimous outpouring of post-9/11 jingoism, Bill was displeased. Warning of a creeping "erosion of moral clarity," he wailed that elementary schools were still teaching kids that—horrors!—"you should always find a peaceful way to solve your problems." Presumably, because the tots were not resolving their conflicts by stabbing each other with pencils, they were insufficiently patriotic.

Bennett has also launched Americans for Victory Over Terrorism, a group that seeks to stamp out dissent by "tak[ing] to task those groups and individuals who fundamentally misunderstand the nature of the war we are facing." Translation: Wave the flag and shut your mouth, or Big Bad Bill is coming to get you.

Alas, Bill has hit a bump in his quest to nag the country into his own image. News has broken that Mr. Virtue has a vice, and it's just as obese as the rest of him.

According to *Newsweek* and the *Washington Monthly*, over the past decade Bennett has squandered $8 million—money he made condemning others' moral laxity—on gambling. Two- or three-day casino sprees are not uncommon for Bill, who blew $500,000 during one recent jag. Bennett may preach against decadence, but he checks his convictions at the casino door.

The only thing more pathetic than Bennett's losing streak was the rationalization that poured forth after the revelation.

"I've gambled all my life, and it's never been a moral issue with me," Bill stated. Bennett may not personally lecture against gambling, but Empower America, a group founded by him, does. They publicly oppose the spread of legalized gaming and count gambling among the activities that "disrupts personal, family or vocational pursuits."

His own claims aside, records suggest that Bennett is not proud of his folly. His customer profile at one casino instructs, "NO CONTACT AT RES OR BIZ!!!" His wife, Elayne, told *USA Today* that hubby gambles "only three or four times a year," a laughably low estimate. If Bill believes gambling isn't a moral issue, why would he hide the extent of his habit from his spouse?

"You don't know what I walk away with," Bennett bluffed, downplaying his staggering losses. "[The casinos] don't want you to see it."

Oh, really? Last we checked, every casino in existence trumpets the notion that big winnings can be had at their establishment.

When his feeble denials failed, Bennett vowed to permanently cash in his chips: "I have done too much gambling, and this is not an example I wish to set. Therefore, my gambling days are over."

How sad. HUSTLER celebrates the right to wager. If you change your mind, Bill, you're always welcome at any of Larry Flynt's casinos. And if your wife calls, we'll tell her we haven't seen you.

We'd much rather you promise to stop acting like an Asshole.

FARTS IN THE WIND

Jayson Blair: After it was discovered that disgraced *New York Times* reporter Blair fabricated quotes, concocted scenes and plagiarized in dozens of articles he'd written, common decency dictated that Blair should disappear from the public eye forever. Instead, he's now shopping his story out for a possible book or movie deal. May we suggest the title *Jayson: Portrait of an Asshole*?

Tom DeLay: House Majority Leader DeLay brought grandstanding to a new low in May when he sicced the FAA and, it appears, the Department of Homeland Security on Texas Democrats who walked out in protest of his shady redistricting plan. Mere weeks later, he dismissed calls for a probe into intelligence failures regarding Iraq's weapons program as "playing politics." More than 100 U.S. servicemen gave their lives because of claims about Saddam's arsenal. All DeLay contributes is the stench of a blowhard Asshole.

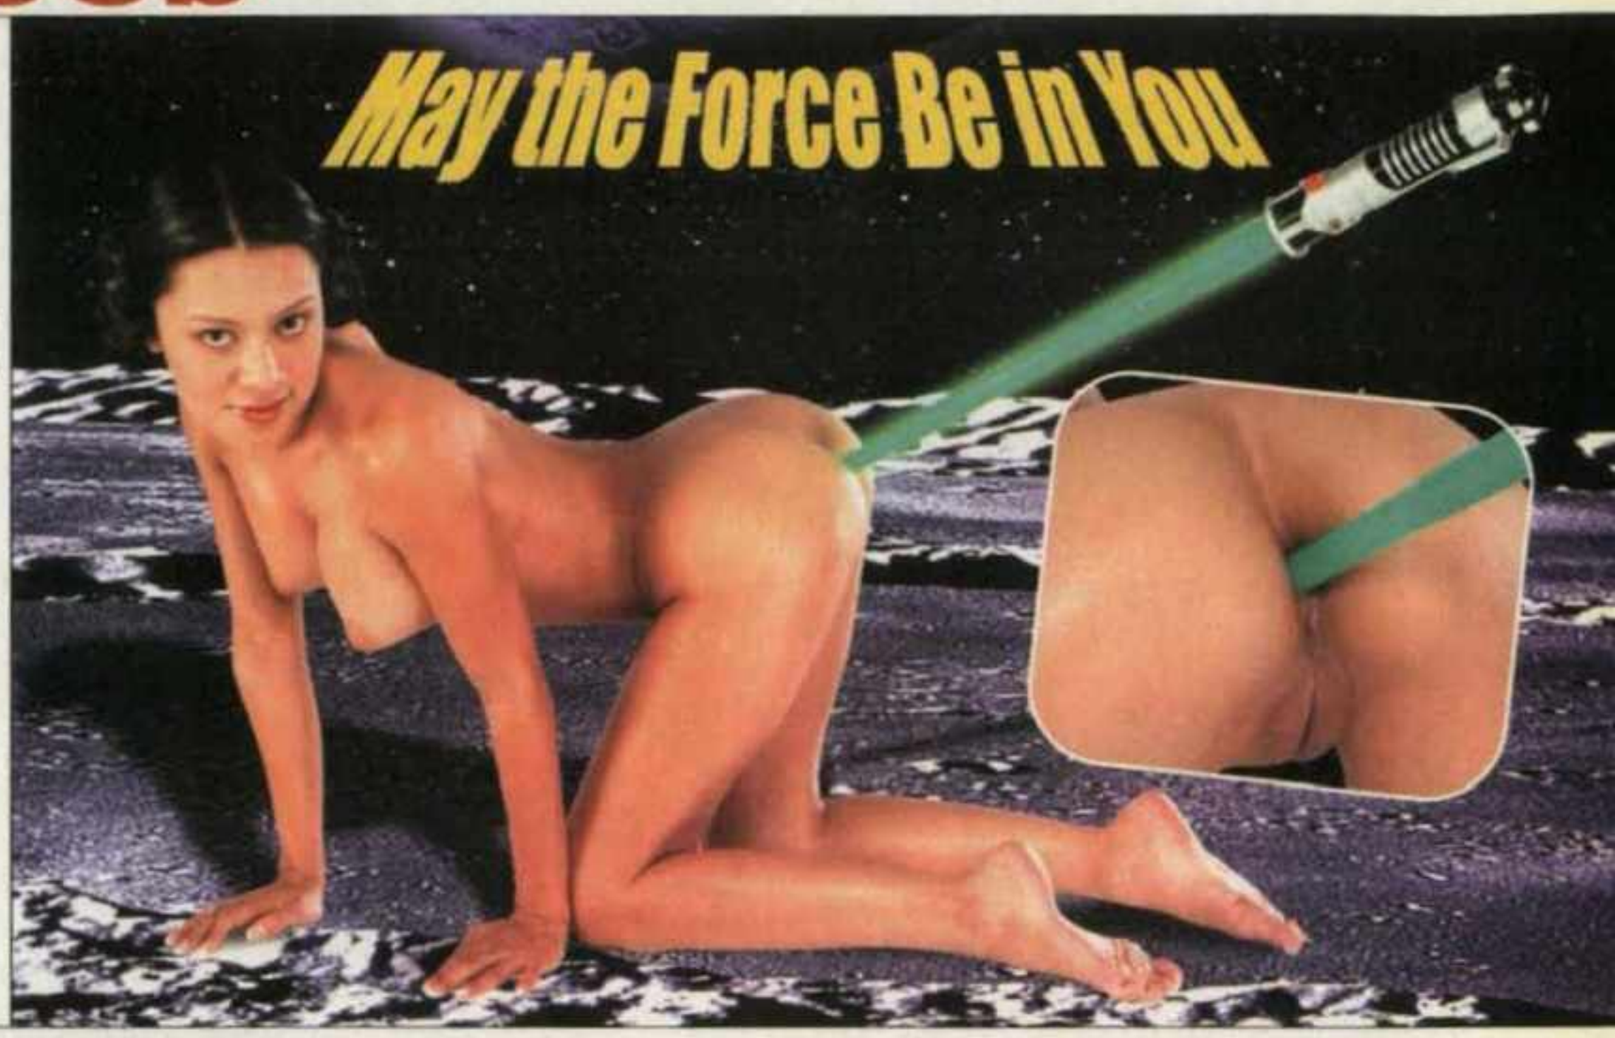
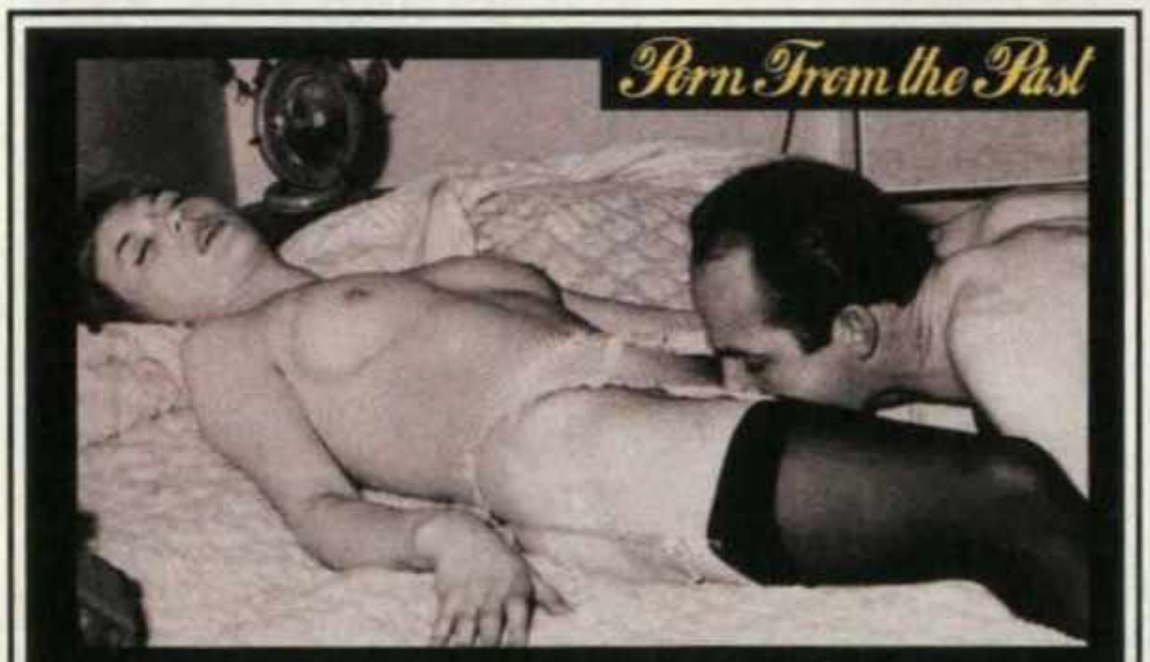
BUTT PLUG OF THE MONTH

What would *you* like to see in a Honey's ass?

M. B. of Cherry Hill, New Jersey, is a huge *Star Wars* fan and wanted to see "a light saber stuck in Princess Leia's butt." Actress Carrie Fisher wasn't available or willing, but our own Katalina demonstrated her Jedi skills by taking an intergalactic light sword into her tight, black hole. HUSTLER encourages readers to tell us what they'd like to see embedded in a babe's booty. Send requests to: HUSTLER's "Butt Plug of the Month," 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211.



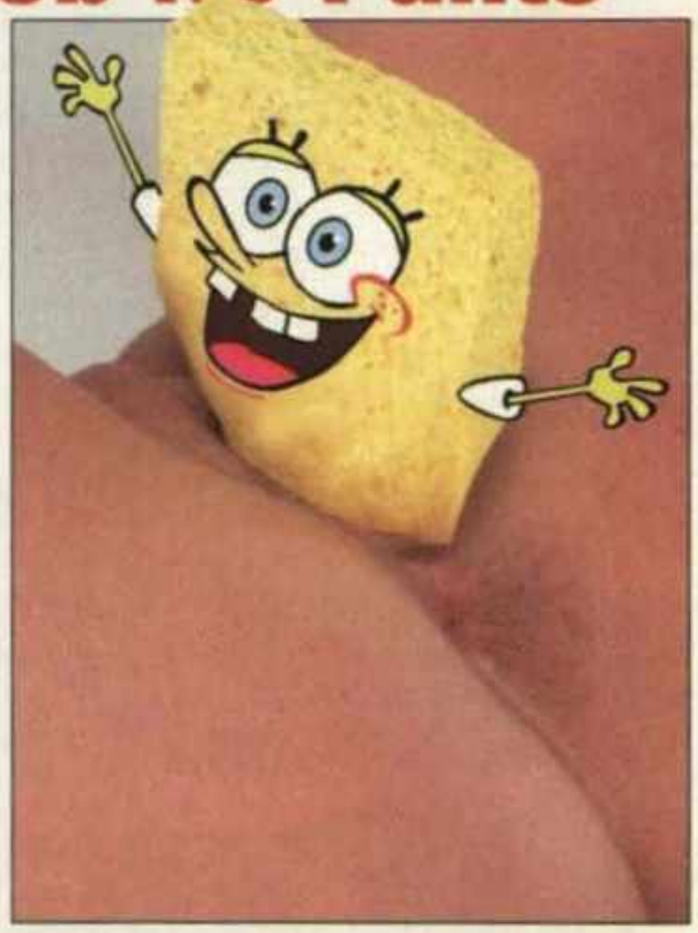


Clitoris Finally Discovered

Thanks and $150 go to K. N. of Auburn, California, for this rug-munching classic. Send your smut of yesteryear to HUSTLER's "Porn From the Past," 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a self-addressed, stamped envelope if you want the material returned. HUSTLER is not responsible for lost pictures.

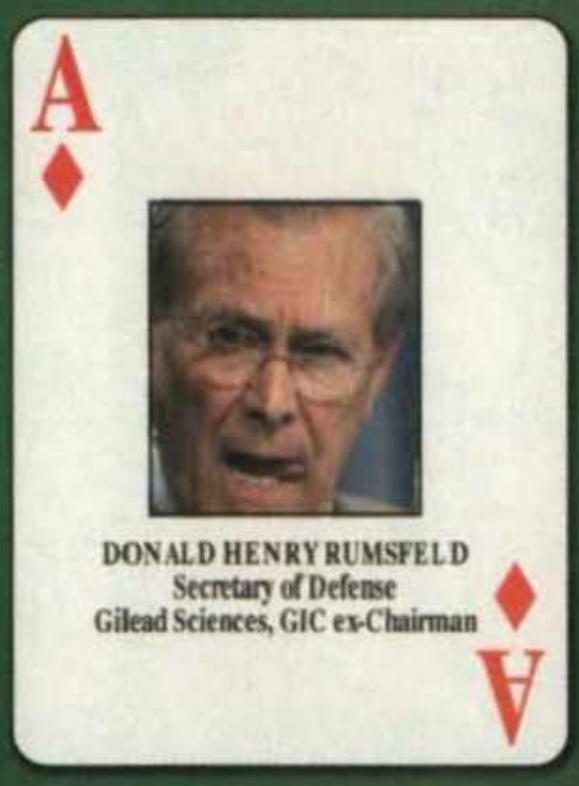
Splooge Bob No Pants

Now that the FDA is considering allowing Today contraceptive sponges back on the market after an eight-year absence, women may not have to order the springy sperm soakers from Canada (where there are actually waiting lists for them) much longer. So far, Allendale Pharmaceuticals is the only manufacturer of the sponges, but it's probably only a matter of time before corporate America jumps on the bandwagon. We think Nickelodeon would have the inside track and could really clean up with the **Splooge Bob No Pants Contraceptive Sponge**.



House of Cards

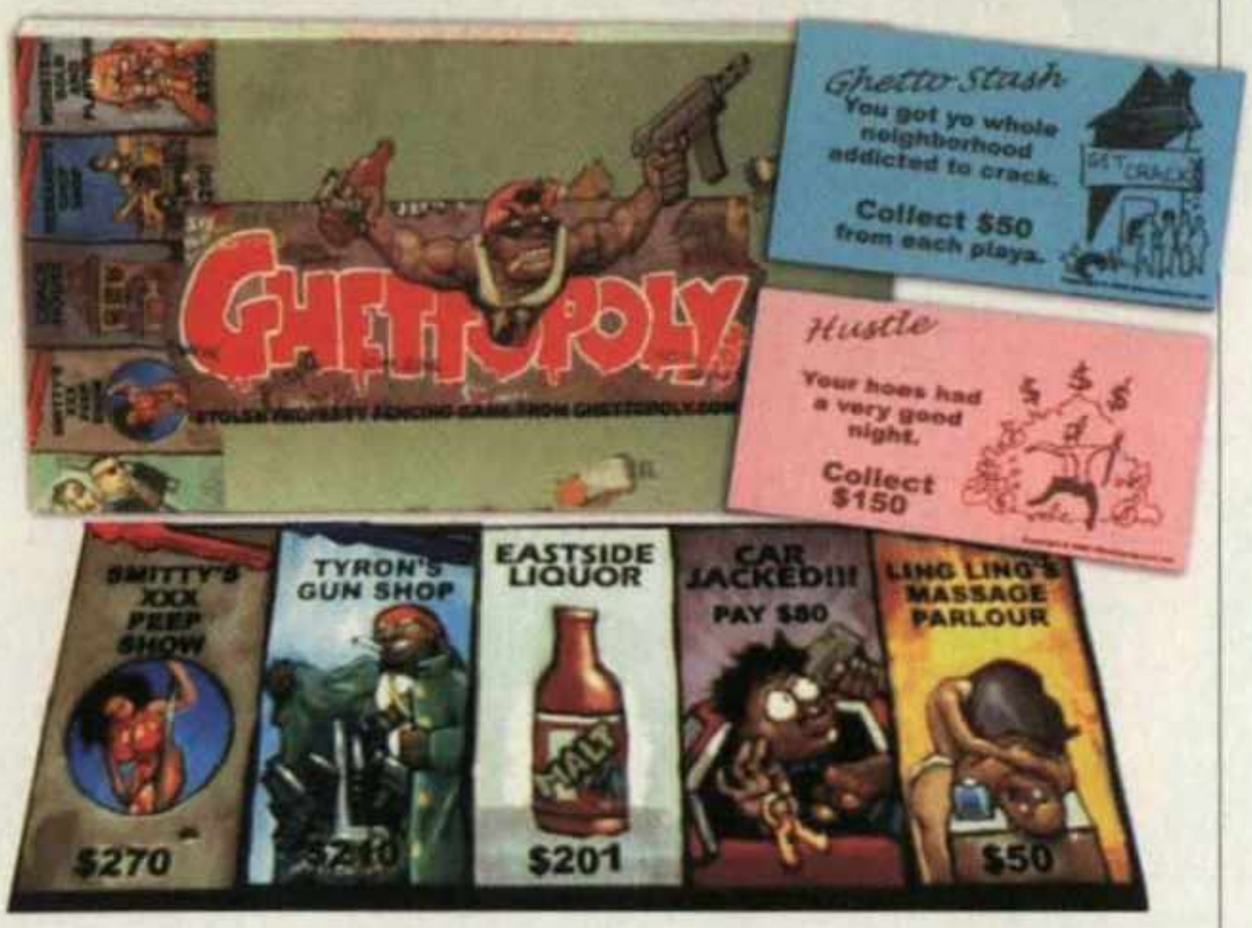
Inspired by the U.S. military's use of playing cards to identify "evildoers" such as Saddam Hussein and his cronies during the invasion of Iraq, the Trade Regulation Organization has created a deck of "Most Wanted" cards featuring Dubya's repressive Republican regime. The 55-card set includes President "Select" Bush's inner circle, power-hungry conservatives and greedy CEOs. To keep track of all the corporate crooks and right-wing shills, order your set at **www.gatt.org/regime**.



"I couldn't see tying myself down to a middle-aged woman with four children, even though the woman was my wife and the children were my own." —JOSEPH HELLER

"The only really happy folk are married women and single men." —H. L. MENCKEN

Playaz 'n the Hood



If Dubya's economy keeps going downhill, we're all going to be living in the ghetto. To prepare yourself for street life, check out Ghettopoly. This contemporary takeoff of Monopoly has "playaz" pimping ho's, building crack houses and getting car-jacked. The game pieces are shaped like a marijuana leaf, a crack rock, a basketball and an AK-47. When players land on one another's "stolen property," they pay a "protection fee" based on the number of crack houses that have been built. To get your preliminary taste of livin' in the hood, go to **www.Ghettopoly.com**.

Skirting the Issue

The Washington State House recently voted to ban the act of filming up women's skirts without their knowledge. However, the measure got bogged down in the state Senate when Jim West (R-Spokane) stalled the bill because it was sponsored by Rep. Pat Lanz, who had refused to hear a proposal on limiting medical malpractice awards. Maybe the Peeping Toms of the Great Northwest can expand their hobby and surreptitiously tape their representatives' pissing matches.

NEWSBITES

Pulling Off on the Road: Sadly, the state of Tennessee has passed a law banning people from watching X-rated videos in their vehicles. State Senator Mark Norris says a man complained that his daughters could see a sex tape being played in a van that was stopped at a red light. Now that the killjoys have their way, how are people supposed to masturbate while in traffic—close their eyes and fantasize?

When Retirees Go Wild: Richard W. Carman of Lawrenceville, Georgia, was simply trying to mow his lawn when neighbors called the police on the poor senior. His offense? The 67-year-old retiree happened to be mowing his yard in the nude. To add insult to injury, the cops described it as a "scary sight." Thanks to his nosy neighbors, poor Mr. Carman is facing a misdemeanor and a lawn that still needs edging.

He Was on Maneuvers: In Fort Bragg, North Carolina, it was reported that National Guard Lieutenant Colonel J. D. Webster was caught streaking outside the barracks. The military says Webster will be relieved of his command of an Apache attack helicopter unit. Now that he's out of a job, will Lieutenant Colonel Webster retire and spend his days mowing his yard in the nude?

Step Out of the Panties, Ma'am: Frank Wright, a former police officer in New York state, pleaded guilty to charges that he forced four women to take it all off when he pulled them over for traffic violations. Prosecutors said one woman had to walk home in her underwear. But the important question is: Will that go on her driving record?

If They Legalize It, Will More People Do It?: Rolling Hills Estates, a small community southwest of Los Angeles, recently repealed a 46-year-old law against immoral conduct, including adultery. Passed in 1957, the archaic regulation mandated a $250 fine or three months in jail for cheating spouses. No one seems to know why the law was on the books in the first place. Perhaps they hadn't yet reached the conclusion that marriage is punishment enough.

Americans for Safe Access (ASA), a medical-marijuana advocacy group, held a protest outside the San Francisco Federal Building to oppose John Ashcroft's draconian drug policies and waste of taxpayer dollars to cover up a seminude statue at the Justice Department. As traffic whisked by, the ASA protesters chanted, "More boobs in public, less boobs in public office." This particular rabble-rouser, Kaylee, is Ashcroft's worst nightmare; she's an activist and a HUSTLER Honey at the San Francisco HUSTLER Club.

What would J.Lo look like with a dick in her mouth?

J.Lo's string of failed marriages could soon outnumber her hit records. Jen's first union, to model Ojani Noa in 1997, lasted only a year. After marrying her backup dancer Cris Judd, the glutey beauty told *Us Weekly*, "He brings serenity into my world. In the midst of the crazy storm that is my life, his love is what I need most of all." Well, that "serenity" lasted less than a year. For potential husband number three, Lopez told ABC News her feelings for Ben Affleck are "bigger and realer" and "totally different" from anything she has felt before. Yeah, sure they are. If J.Lo would simply do what we suspect she does best—suck cock—then she would solve two problems: We wouldn't have to listen to her latest "wisdom" about men, and she wouldn't reproduce, which would spare the world a whole new generation of morons.

Disclaimer: No such picture of Jennifer Lopez exists. This is a commentary on a woman who is about to be married for the third time at the ripe old age of 33. Of course she knows what she's doing; so did the captain of the *Titanic*.

PEACE, LOVE AND PUBES

Photo courtesy of www.YesterdayGirls.com and Taschen.

This Month: *Naked as a Jaybird*, edited by Dian Hanson

What It Is: A collection of 150 long-lost nudie pics from *Jaybird* magazine taken in the summer of love, 1967.

Why We Care: In 1965, showing pubic hair was considered taboo; even *Playboy* wouldn't do it. But the founders of *Jaybird* magazine found a loophole. Because the government didn't consider nudist magazines sexual, *Jaybird* showed tons of bush by claiming they were not photographing models, but simply taking pictures of nudists engaged in wholesome activities such as playing volleyball and barbecuing. As publisher Milton Luros pushed for more and more pubes, the true nudists pulled out of the magazine and were replaced by groovy '60s hippies baring it all in wacky poses. When the big porn magazines finally started showing pubic hair in the early 1970s, *Jaybird* gradually vanished from the scene.

Buzz: These days, issues of *Jaybird* are impossible-to-find collector's items. Taschen Publishing has resurrected the far-out photo-shoots in this highly amusing, psychedelic, pornographic retrospective.

How to Get It: *Naked as a Jaybird* is available at bookstores, or through the publisher at **www.taschen.com**.

Bottom Line: As Austin Powers would say, "It's shag-o-rrific, baby!"

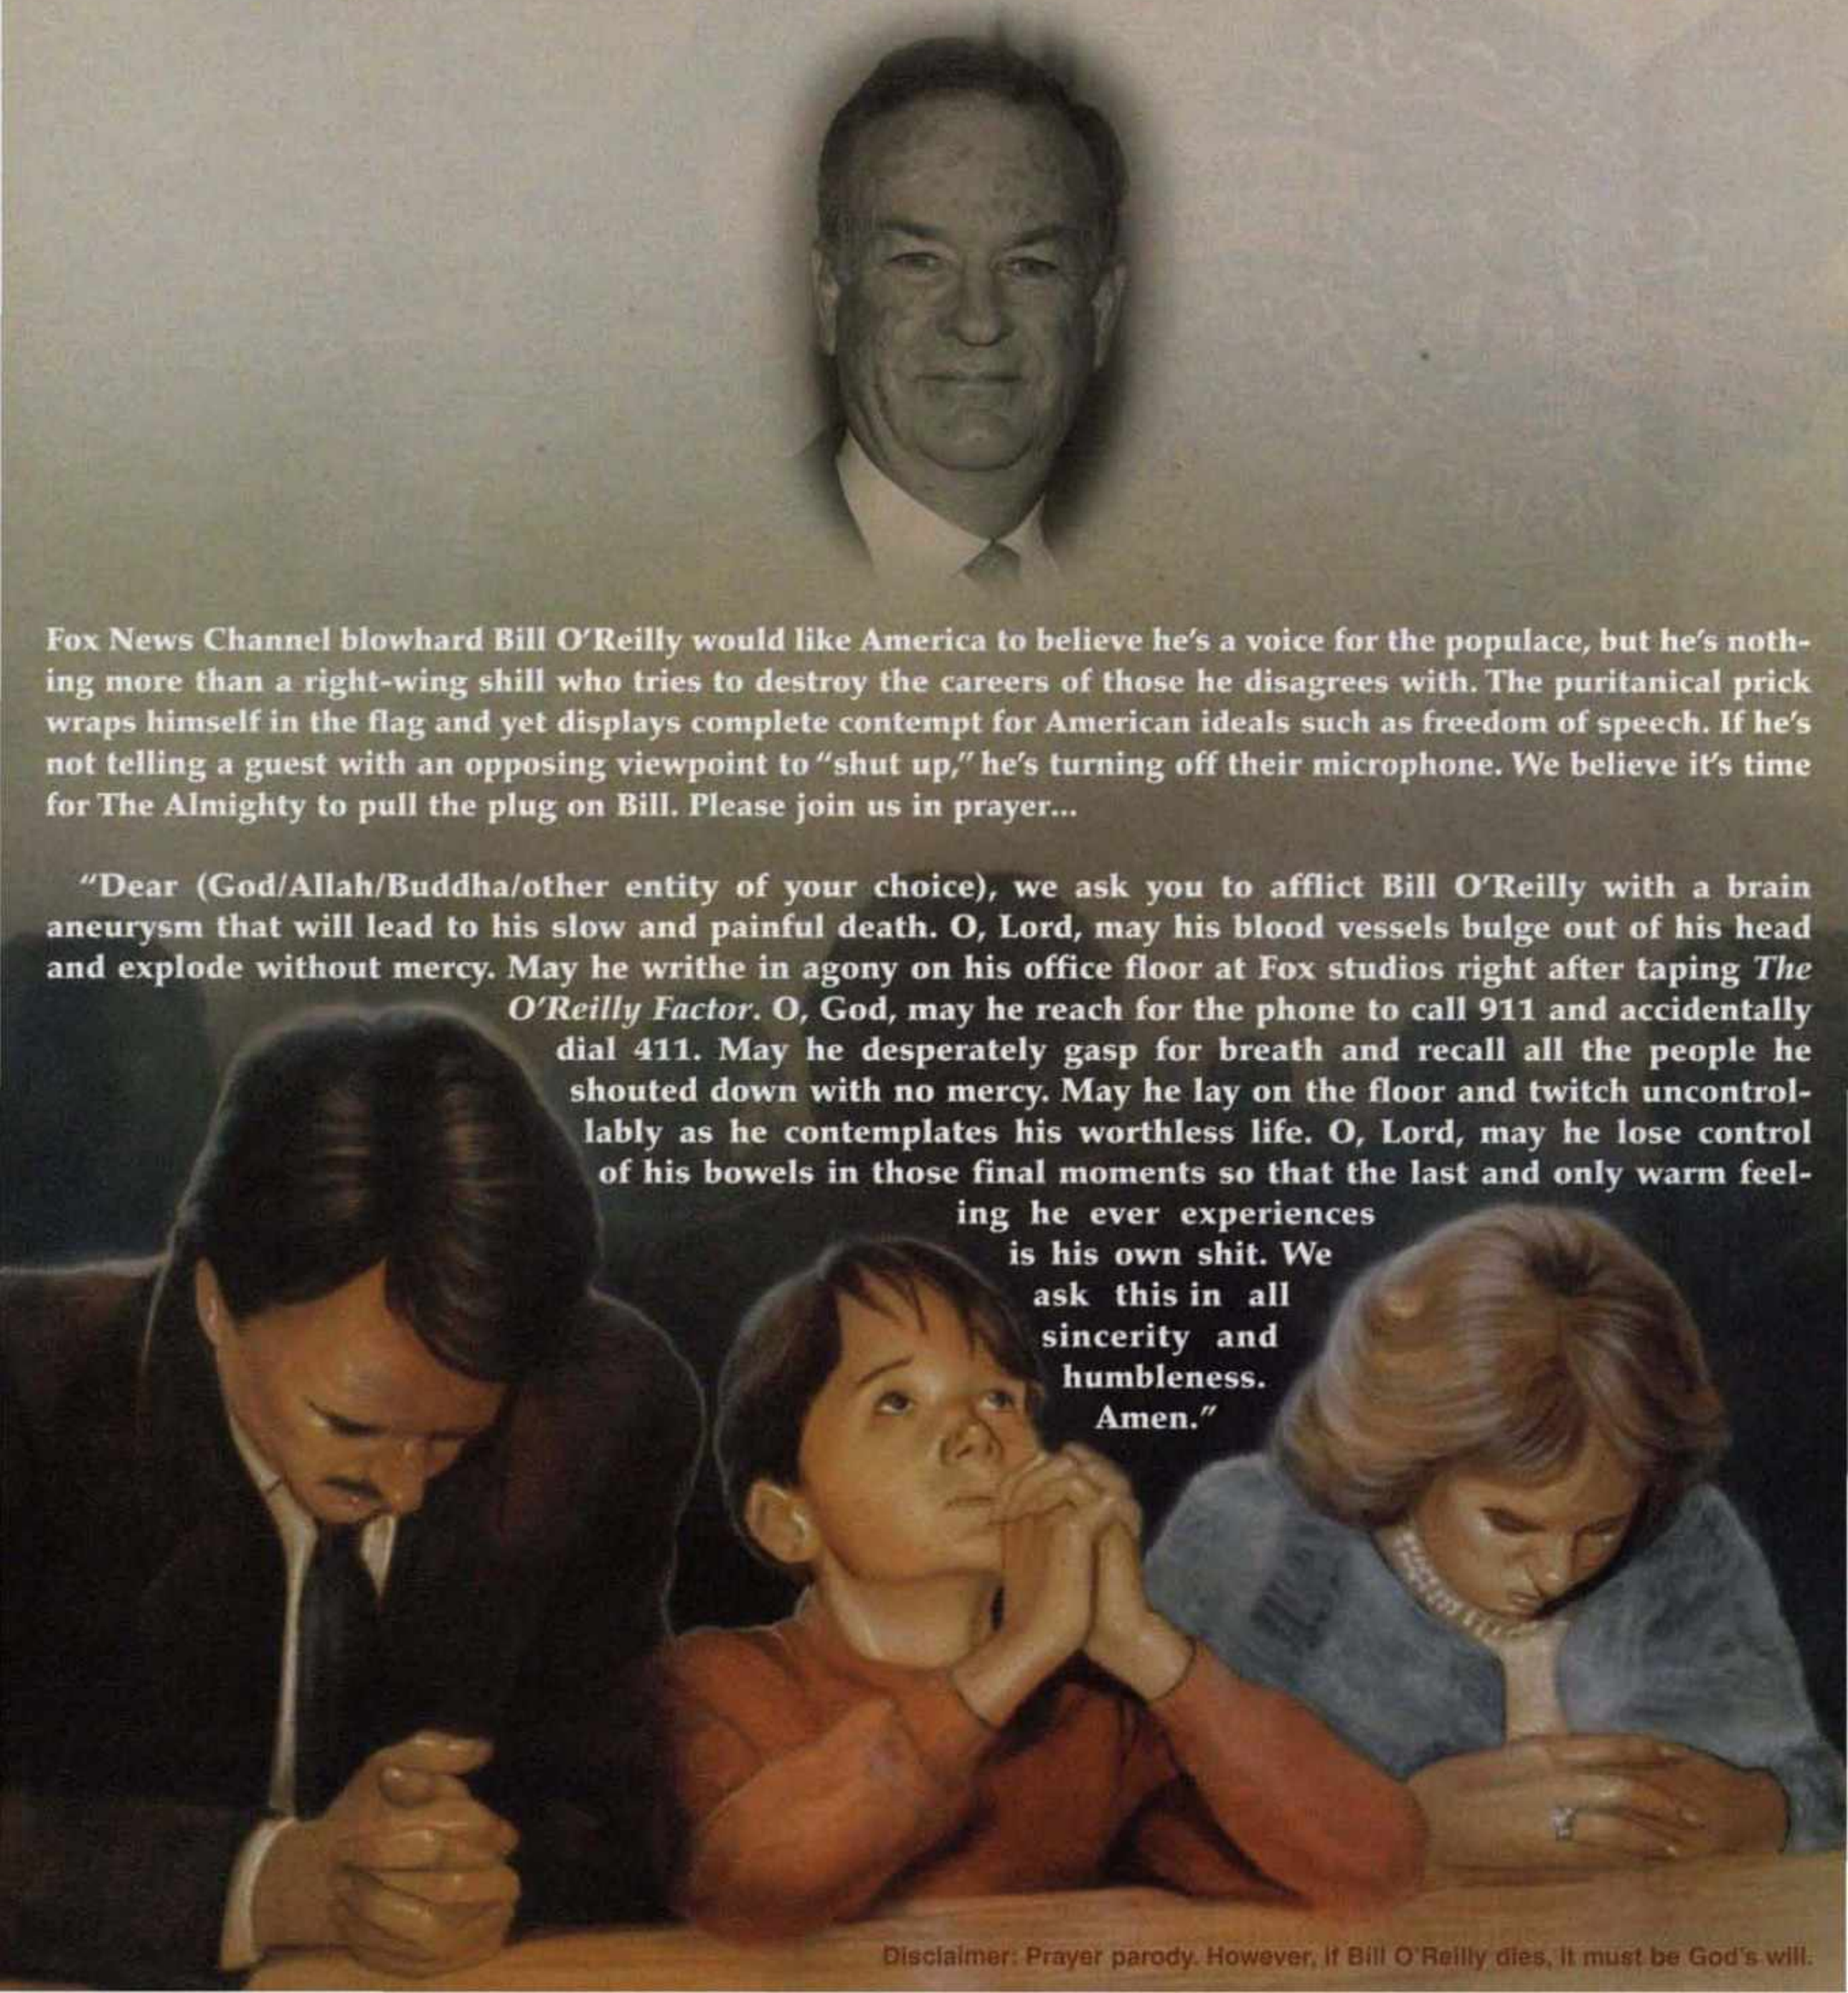
MISCHIEF STARLETS INTERVIEWS

National Day of Prayer

August 5, 2003

We are asking Americans of all denominations and faiths to join us in praying

for the Death of Bill O'Reilly.



Fox News Channel blowhard Bill O'Reilly would like America to believe he's a voice for the populace, but he's nothing more than a right-wing shill who tries to destroy the careers of those he disagrees with. The puritanical prick wraps himself in the flag and yet displays complete contempt for American ideals such as freedom of speech. If he's not telling a guest with an opposing viewpoint to "shut up," he's turning off their microphone. We believe it's time for The Almighty to pull the plug on Bill. Please join us in prayer...

"Dear (God/Allah/Buddha/other entity of your choice), we ask you to afflict Bill O'Reilly with a brain aneurysm that will lead to his slow and painful death. O, Lord, may his blood vessels bulge out of his head and explode without mercy. May he writhe in agony on his office floor at Fox studios right after taping *The O'Reilly Factor*. O, God, may he reach for the phone to call 911 and accidentally dial 411. May he desperately gasp for breath and recall all the people he shouted down with no mercy. May he lay on the floor and twitch uncontrollably as he contemplates his worthless life. O, Lord, may he lose control of his bowels in those final moments so that the last and only warm feeling he ever experiences is his own shit. We ask this in all sincerity and humbleness. Amen."

Disclaimer: Prayer parody. However, if Bill O'Reilly dies, it must be God's will.

Give Her a Cum-Drenching the ultimate fuck She'll Never Forget

By Nancy Ann

Learning "The Ropes"...

I'd like to share a letter from a reader, about a secret that makes sex absolutely explosive (literally!).

Amy writes:
Nancy, my boyfriend has always been able to satisfy me sexually. With an ample cock-size, average endurance, and creative oral technique, he almost never fails to get me off. But what I experienced the night he returned home from a business trip in Europe was the surprise of my life—a fucking I will never forget, and an orgasm that no man before him has ever come close to equaling.

Since I love to suck cock, the second my boyfriend dropped his luggage I stripped off his clothes and proceeded to please him with my best welcome-home blowjob.

Before long my wet mouth had him pumping gob after hot gob down my throat and on my face. With a fistful of throbbing cock, I held on for dear life as he unloaded his sweet jism; these were "power throbs" that kept launching massive amounts of come. I've never seen anything like it—a man having a multiple! I was so totally turned on being nearly drowned with his super-human load. And it didn't stop there! He stayed erect, throwing me down on the floor and pounding my twat until we both had simultaneous, earth-shattering orgasms, practically causing both of us to pass out. The rest of the evening and throughout the week we fucked ourselves into a frenzy; his recovery time between these supercharged orgasms was that of a teenage boy.

Since that mind-blowing night, all I can think of is sucking and fucking my new "power lover" all hours of the day and night. Finally, curiosity got the best of me, so I asked what had turned him into such a fuck machine. His answer: He had learned "The Ropes."

Turns out my boyfriend had spent an evening in Europe with a Swedish nutritionist and his wife of 20 years. The couple was openly sexual and couldn't keep their hands off each other, so my boyfriend asked them their secret. The nutritionist explained he regularly took a natural supplement, and gave my boyfriend about a month's supply, telling him it would teach him "the ropes" of great sex.

The supply is about to run out, and we want to know where we can buy this incredible enhancement. Do you know if this product is available in the States?

Amy B.
Dallas, Texas

Amy, you and the rest of my readers are in luck, because it just so happens I do know about "the ropes," and the supplement your boyfriend's Swedish nutritionist friend likely shared.

The physical contractions and fluid release during male orgasm can be multiplied and intensified by using a product called Serogen. It's a natural, pure extract specially formulated to trigger better, more powerful orgasmic experiences in men. The best part, from a woman's perspective, is that the motion and experience a man can achieve with Serogen can help stimulate a strong female orgasm.

The term the Swedish nutritionist used is actually fairly common slang for the effect your boyfriend experienced. The enhanced contractions and heightened orgasmic release are often referred to as "ropes" because of the rope-like effect of release during climax.

As far as finding this enhancement in the States, I know of just one importer—Somalab. If you are interested, you can contact the company toll-free at 1-866-SOM-A-LAB or visit the Web site www.somalab.net. Serogen is an all-natural, herbal-derived tablet. Most people I've spoken with have said that just taking three a day has led to the roping effect Amy describes in her letter.

FLYNT

Cassidy and Melody decided to take their afternoon break on the roof of their office building. Instead of cigarettes, Cassidy brought her new strap-on. As Cassidy lit into Melody with the plastic prick, they both began huffing like five-pack-a-day smokers. The orgasmic duo lost track of time and spent the entire afternoon on the roof. Did they lose their jobs? Of course not; they work for Larry Flynt. They got paid double time for their teamwork.

JENNA TALES

ADVENTURES IN THE SKIN TRADE WITH JENNA JAMESON

Hey, guys, did you miss me? After last month's schedule, I'm absolutely exhausted. Luckily, things have slowed down a bit this month. I was recently at the VH1 studios in New York to tape *VH1's Top 25 Greatest Videos to Get Busy To*, which was a blast. I gave my opinions on a subject I clearly know a lot about! I always have such a great time in the city that never sleeps.

I just recently learned that I'm the second most popular image downloaded to picture cell phones at the MBuzzy.com Web site. I'm so thrilled and flattered. It's always been an honor to know that I'm one of the most downloaded images on the Internet, and now it seems I'm moving over to picture phones. Gotta keep up with the technology! I beat out Britney Spears and Mariah Carey. (Take that, ladies!) It's such a cool site; you guys should really check it out. The service lets you download ring tones, screen savers and images to your cell phones! There are a few photos on there right now. One is of me relaxing on a couch wearing a tight sports bra!

Did you see my snowboard on page 17 of this issue's *Bits & Pieces*? Well, I thought you'd all like to see a photo from the publicity shoot. I had such a wonderful time posing for this one! Pretty hot, huh? Be sure to look for me on the slopes this winter!

By the way, guys, thank you so much for sending letters with your compliments. It's so sweet! I got so many this month that it was really difficult picking just one, but here's a particularly interesting bit of correspondence. Michael from Vinita, Oklahoma, writes, "I want to congratulate you on your new column in HUSTLER. I have enclosed a few drawings of you because I have read that you are a big art fan and that it was one of your dreams to have a drawing of yourself for your collection. You are one of my favorite girls in the adult business. I love your beautiful blue eyes and curly golden hair. I know that you can't meet every one of your fans, but I hope that you like my artwork, even if I never hear from you. By the way, what do you mostly look for in a boyfriend?"

Thanks, Michael! That was such a sweet letter, and I really enjoyed your drawings. Keep up the good work! As far as your question goes, the qualities that I look for in a boyfriend are a sense of humor, complete honesty and confidence. I love what I do; so he can't be the jealous type! That's such a turn-off to me.

If there's anything you'd like to see in the next installment of my column, don't hesitate to write to me. I love getting letters from fans all over the world; it makes me feel so good inside! Just drop me a line at: *Jenna Tales*, c/o HUSTLER Magazine, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. See you soon!

Jenna

Mark Crispin Miller at NY

The author of *The Bush Dyslexicon* reveals the creepy intent behind the President's goofy gaffes.

Interview by Bruce David **Photography by Richard Kern**

Mark Crispin Miller is a professor of media studies at New York University and an author whose writings and commentaries have been published worldwide. His books include *Boxed In: The Culture of TV* and more recently *The Bush Dyslexicon: Observations on a National Disorder*, in which Miller exposes the fact that Bush's verbal gaffes are much more than the silly bloopers of a bumbling public speaker; they inadvertently reveal the inner workings of a sinister mind.

* * *

HUSTLER: Tell us about your book.

MARK CRISPIN MILLER: Although it has its share of laughs, *The Bush Dyslexicon* is no joke book. It's a close reading of Bush's off-the-cuff remarks and a critique of the mainstream media, which has enabled him from the beginning.

One of the things I've tried to do is debunk the notion that Bush is a simple imbecile. That caricature has actually done him a lot of good, even though it does insult him, because it allows the White House to maintain the fiction that he's a regular guy, salt of the earth. Well, this "regular guy" went to Phillips [Academy] Andover and Yale thanks to his family connections, and then went to the Harvard Business School. He's a member of one of the wealthiest, most powerful families in the country. The queen of England is a distant cousin. I wanted to refute the view that Bush is a plain-spun, down-home Will Rogers type. And I do it, in part, by showing that his is not at all the language of the common man—that his linguistic problems tell us more than that he's just a dunce. In fact, on certain subjects, Bush is perfectly coherent [while speaking] off-the-cuff. What's most troubling about Bush is not stupidity so much as insincerity—that he's incapable of winging it on any idealistic or altruistic theme. It's when he tries to sound like he cares about the unemployed, believes in racial harmony or cherishes democracy that he makes his most hilarious mistakes. But when he talks about revenge, punishment or death, he tends to be quite coherent. This is not a judgment based on one or two stray statements. It's a constant pattern with him and, therefore, I would say definitive.

HUSTLER: What has been the public reaction to your study?

MILLER: Some of his supporters have accused me of armchair psychoanalysis, but what I'm doing isn't medical in any

way. Rather, I've subjected Bush's words to close analysis and point out something striking about what it is that he has trouble saying. It's the sort of thing we do with one another all the time. If you were married to somebody who just couldn't say "I love you" or express affection without screwing up, but who had no trouble barking at you, cracking nasty jokes about you, and spoke with easy viciousness about her enemies and what she'd like to do to them, you'd have some justifiable qualms about your future as a couple. The same thing applies here. It's significant that Bush has such a hard time talking idealistically and such a good time talking cruelly.

HUSTLER: Give us a couple of examples.

MILLER: One of the most famous was, "I know how hard it is for you to put food on your family." He said it when he was campaigning in New Hampshire back in 2000. He could not say, "I know how hard it is for you to put food on your family's table." It's a very easy thing to say, but he couldn't manage it because he doesn't know what it's like to have to go without, and more importantly, he doesn't care. Another good one: "The goals for this country are a compassionate American for every single citizen." What is that, a new federal program? As I said, the guy can't really do compassion. And sometimes, when he tries, he just sounds fucking scary: "If you want to hurt people, and help them to feel better...." Comforting, no? Like this recent assurance: "I will use our military as a last resort and our first resort, and I understand the consequences of military action." Now, if Bush were a really gifted political actor....

HUSTLER: Like Clinton.

MILLER: Yes, or Reagan. Such a performer is always able to believe what he's saying at the moment he says it. Even if he doesn't really buy it in his heart of hearts, he can make himself believe it just enough, and for just long enough, to make it sound credible. It's much the same with professional acting. Bush doesn't have that capacity. Neither did his father. At the same location where Bush said, "I know how hard it is for you to put food on your family," Bush Senior had once said, "Message: I care!" which was a stage direction, written in the margins of his speech. He read it out loud by mistake. In such transparent clumsiness, the son is like the father, only more so. But after 9/11, it was suddenly taboo to point out any of his verbal errors. And he kept right on making them despite the myth of his total metamorphosis into a second Churchill. Chris Matthews actually made that comparison, by the way. When Bush said, "Let's roll," Matthews said it was "Churchillian."

In January of 2002, Bush was trying to boast of the great good that we had done the people of Afghanistan: "We're

freeing women and children from incredible impression." Again, the press did not make mention of it. But he did catch a little flak last fall when he tried to say, "Fool me once, shame on you. Fool me twice, shame on me."

HUSTLER: He couldn't say it at all.

MILLER: Yes, and the reason why he couldn't say it is that Bush could never in a million years say "shame on me." If you watch that moment carefully, you can see that as soon as he realized that he was going to have to say "shame on me," he went to pieces. He quickly had to quote The Who instead: "Won't get fooled again." He could never admit fallibility because he is without a doubt the most stiff-necked, self-righteous and opinionated President we've ever had. For him, it is a point of pride that he can't change his mind. He sees total rigidity as a sign of "character"—much like Nixon, his true spiritual father.

HUSTLER: Why did you write the book?

MILLER: I wrote the book in part to reconfirm the truth that people picked up naturally from watching Bush on TV. With certain politicians, television is a medium that has no mercy. It cuts right to the quick, showing us exactly who they are. Others—Clinton, Reagan, JFK—have been blessed by the medium, which has made them look like gods. But TV is poison to the other type, exposing all their insecurities. Thus it was with LBJ, and especially with Nixon.

HUSTLER: In Bush's case, he's constantly exposed.

MILLER: Absolutely. Viewers can spot his anger, his resentfulness and arrogance as surely as the television audience could see the vengefulness in Nixon, or the effeteness of Bush Sr. This Bush, however, is consistently protected by the corporate forces that control the medium in this country. That is, those commercial entities—the pundits, anchors, correspondents—have consistently attempted to play down the truth that the medium itself exposes in this President. So there has been a very disorienting gap between the man we see with our own eyes and the idealized version largely worshiped by the network personnel. One purpose of my book is to confirm that we did see exactly what we thought we saw throughout the Presidential race.

I'm scrupulous throughout in reproducing Bush's statements in their full context. I haven't merely isolated ludicrous misstatements just to get a laugh. I think there's more to what Bush says than its apparent silliness. What he meant to say is often more appalling than the mangled way he said it. And, more important, there's the fact that his inept performance was consistently enabled by the so-called liberal media. The reporters' full complicity was an important aspect of the context, and so I also have that there in black and white. If the *Dyslexicon* can help refute the stubborn myth of liberal media bias, I will be very pleased.

HUSTLER: The very fact that the press ignores Bush's gaffes suggests that we really don't have a free press.

MILLER: The mainstream press is nothing

"There's more to what Bush says than its apparent silliness. What he meant to say is often more appalling than the mangled way he said it."

but a propaganda echo chamber for the White House and the Pentagon. And we're well past the point of merely issuing warnings about some possible Orwellian future. "I just want you to know that when we talk about war, we're really talking about peace," as Bush put it in June of 2002. And the amount of news—important news—that doesn't get reported in this country, but is reported elsewhere, is astonishing.

HUSTLER: It's nearly impossible to get a well-rounded picture of events from the domestic media.

MILLER: My audience, by and large, [consists of] quite sophisticated people. They're certainly progressive, and they try to stay informed. I'd say that 85% of them are shocked by most of what I have to tell them—stuff that I pick up from a range of wholly reputable foreign sources. It's stuff buried in the fine print of the Homeland Security Act and the USA PATRIOT Act: stipulations that are totally unconstitutional and, therefore, very dangerous to all of us. It's the requirement stuck deep inside the No Child Left Behind Act that all U.S. public schools provide full contact information on every student, or else face a cutoff of federal funding. It's the dictatorial powers granted to the nation's governors by the Emergency Health Protection Act, which holds that each state's chief executive can order you to [either] get a smallpox shot or be detained. It's the fact that there's a no-fly list in this country, which prevents something like 1,000 Americans from boarding any airplane in the United States—and these aren't folks with terrorist ties or even Arabic surnames, but antiwar activists—Green Party organizers and so on. And it's the fact that these electronic voting machines are owned by private interests very close to one of the two parties.

All of this is relevant to our self-government, and none of it is carried by the major media. The Bill of Rights itself is now at serious risk because of it. The Founding Fathers must be spinning in their graves.

Bella is not your typical brainless blonde. The 21-year-old hottie is in her third year of college, majoring in biology. She wants to work as a research biologist, and says she is interested in ecology and small-animal behavior.

The fair-haired babe started modeling for Internet porn sites and eventually found her way into HUSTLER. Aside from her interest in the animal kingdom, the blue-eyed beauty has her own wild side: She loves going to raves and even protested against recent legislation that cracked down on the all-night parties. Bella says she's approachable and easy to chat up. "I like surfer guys and computer nerds," she smiles.

HUSTLER explores the Golden Age of blood-and-guts periodicals.

Retrospective by Adam Parfrey

Throughout the '50s and '60s, dozens of magazines played to readers' kinky thirst to see tormented nymphos with names such as Yvette cower under the lethal lashes of aroused Arabs and nasty Nazis.

The perverse visionaries who wrote and illustrated these cheap periodicals called their torture-themed creations "leg shacklers," a species of publication known to the world at large as "men's adventure magazines."

Battle Attack, *Fury*, *Climax*, *Gusto*, *Rage*, *Safari*, *Man's True Danger* and *Wildcat* were some of the several dozen titles that drew hundreds of thousands of readers monthly. While wives subscribed to the soft and family-friendly *True* and *Argosy*, hubbies and dads compulsively purchased magazines profoundly unfit for the weaker sex.

The words "man," "men" and "male" found their way into at least half of the titles: *Rugged Men*, *Man's World*, *Men in Combat*, *Men in Conflict*, *Man's Life*, *Man's Conquest*, *For Men Only* and *Men for Men*.

The lowest rungs of the men's adventure trade were occupied by the leg shacklers. Books in this realm went by unsuspecting names such as *Man's Book*, *Man's Story*, *Man's Action*, *Men Today*, *War Criminals* and *Real Men*. Publishers, writers and illustrators often hid their identities while working for these publications, which were considered the soft-core porn of their time. Often thrown together in haste, leg shacklers nonetheless featured slick and accomplished covers, where most of the magazine's effort was seen.

Perhaps to make the reader a touch remorseful for becoming aroused by the sadistic stories and illustrations, a righteous moral tale would often be thrown in. For example, in the otherwise perverse October 1961 issue of *Men Today*, one article called for the murder of perverts.

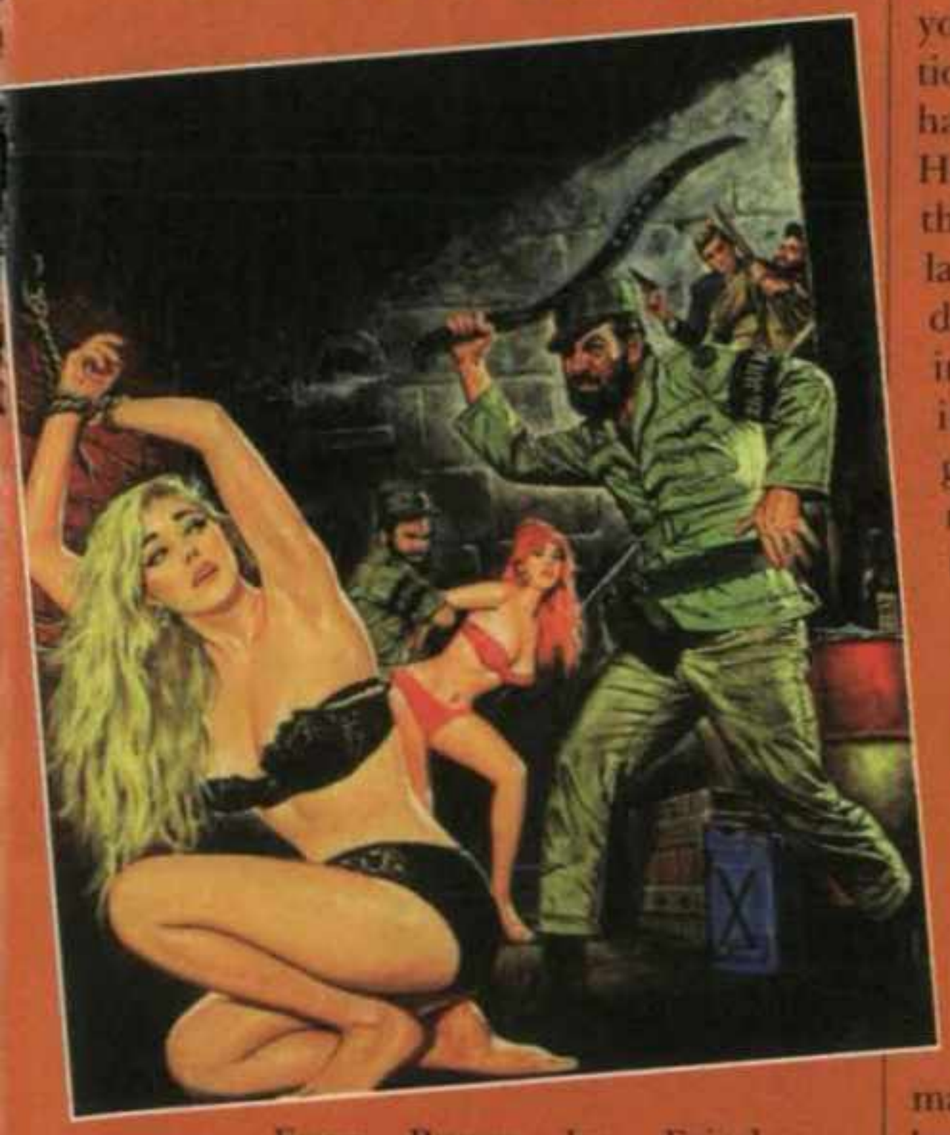
The tabloid-style editorial tone often carried "shocking" revelations that men in America were prone to being sissies, if not overt homosexuals—a queer matter,

The Glory of ADVENTURE GAZINES

since several men's adventure titles, such as *Men* magazine, were later adopted by gay-oriented publications.

Back in the '50s and '60s, though, girlie sets with carefully airbrushed-out nipples, gore-laden car-crash photos and overly endowed women in gag cartoons reassured the male readers that these magazines were, in fact, meant for the eyes of the staunchly heterosexual.

Who were the readers exactly?



Even Bruce Jay Friedman, renowned author, screenwriter and former editor of *Male*, *Stag* and *True Action* magazines, didn't know for sure. Primary cover painter Mort Künstler believes the readers were mostly veterans of World War II and the Korean War who never had the chance to experience heroism as depicted within the adventure slicks themselves. These mags also seemed to help orient the vets to the more domestic sorts of battles over jobs, sex and atomic/commie, Cold War-era fears. Much cheaper than going to a shrink, the men's adventure periodicals cost 35 cents throughout most of the genre's existence.

Back when newsstands banned the sale of girlie mags to teenagers if they revealed even one millimeter of nipple, young lads were allowed to buy publications so coarse and cruel that they would have embarrassed the Marquis de Sade. Hot chicks in the most tenuous of underthings were threatened by political villains with broiling, frying, drowning, choking, freezing, electrocution, decapitation, amputation, gassing, spiking and all manner of medieval torture.

Sexual perversions were suggested through headlines ("Tormented Love," "Slaves of the Emperor of Agony," "Savage Rites of the Whip") and only intimated by the stories themselves, but the violence in these magazines was unlimited, both in text and illustration. Women skewered and roasted, women stretched on a rack to be set aflame with gasoline, women burned to death with liquefied iron, women thrust into nail-bound coffins, women lowered into a snake-filled canyon, women eaten alive by piranha, women whipped and whipped and whipped. Approximately 75% or so of the torture was launched against the weaker sex. The

remainder of articles and illustrations purveyed masochistic sagas of extreme violence perpetrated against men by big-bosomed bitches of the *Ilsa: She Wolf of the SS* variety.

The tortured women were always centerfold material, with facial expressions assuring that they were inconvenienced or stressed at the worst. Someone must have decided not to make the ordeals seem too real, possibly fearing censorship. According to Friedman, the boys of the publishing company Magazine Management were nonplussed when one city decided to widen the censure of leg shacklers to their more sedate magazines, *Male* and *For Men Only*. Previously, in the 1930s, New York City Mayor Fiorello LaGuardia started a campaign to drive unwholesome magazines off city newsstands.

Torture magazines of the '60s were basically a second go-around of "weird menace" pulps, such as *Mystery Tales*, of 1938. Norman Saunders, the innovative illustrator of women-torture pulps of the '30s, made a career comeback in the '60s doing similar violent themes, but using the Nazi as the dependable villain.

Still concerned in the '60s that the explicitly torturous magazines might be banned again, Magazine Management publisher Martin Goodman hid his participation in the leg shacklers. Not even longtime staffers of his softer magazines knew what was going on elsewhere within this secret publisher of perversity's empire.

Damsels have been distressed since the turn of the century in pulp-type publications, but nearly always the illustrations suggested that a hero was nearby and a rescue was pending. When adventure slicks of the early '60s came to feature a torture scene, they initially included the possibility of heroic entry by a good American to save the girl. But rescuers came to play an increasingly minor role in illustrations and were completely phased out by the mid-'60s—coincidentally, the time of the Vietnam War's escalation and the emergence of feminism.

Publishers began to discover that readers no longer felt that saving women from torture was heroic on any level. The new, unspoken heroes were not the saviors, but the hardest and most degenerate torturers who wore satanic hoods and were assisted by hunchbacked, horror-film outcasts. Even the long-despised swastika seemed to symbolize a suppressed manhood that rids itself of women who humiliate and degrade men by virtue of their superior looks. Today, due to their outrageous S&M themes, the nasty-Nazi mags are considered the most collectible men's adventure titles by far.

Friedman notes that *Focus* editor James A. "Big Jim" Bryans continually admonished him that the only way to succeed at selling these sorts of magazines was to appeal to the "Big Emotions": hunger, death, sex and jobs. And certainly, "Big Emotions," as expressed by the purplest of copy and the most extreme of headlines, helped move men's adventure magazines briskly for nearly two decades.

What kinds of stories appealed to the readers of adventure magazines? According to Friedman, "With a bit of tap dancing and some Nielsen-style research, we discovered what 'our guys,' whoever they were, liked and didn't. There were some surprises. Sports, for example, were of little interest. Fiction was weak. Forget about Westerns. There seemed, at the time, to be no appetite whatever for nostalgia. The Civil War could be slipped in as a theme, as long as the writer concentrated on life in a vermin-infested cell. What we did find was a ferocious craving for what was actual and real. Our staple product became the verifiably true story of some fellow who had survived a Japanese 'rat cage,' made a record-breaking Death Trek through Borneo, raided Schveinfurt or helped to storm the Remagen Bridge."

But, as Friedman explains, there were "just so many Borneo death trekkers to be gotten hold of. It was at this point that arose the notion of simply making up the 'true' stories and providing them with full documentation. What a giddy and bracing sensation as we set about falsifying our first 'true' jungle trek."

As with the deluge of true stories and patriotism in the media today, the more preposterous the fable in men's adventure magazines, the more fervently the magazine claimed its veracity.

It took what men's adventure magazine writer Mario (*The Godfather*) Puzo called the "No Fun" war of Vietnam, along with the gnawing away of patriotic fever due to Watergate and other political conspiracies, to lessen the readers' enthusiasm for men's adventure magazines.

At the same time, the emergence of new skin magazines, such as HUSTLER, in which the pink in photo-spreads trumped yet more illustrations of the same Nazi-torture scenes, further hastened a decline in circulation for the leg shacklers, and the end of a remarkable publishing genre was at hand.

Hot-Tubbing With Mancow Muller

Wildly popular and controversial on-air personality Mancow Muller is the king of hyperkinetic radio. The shock jock's longtime friend gives an intimate portrait of the man behind the microphone.

Making a Splash With John Calkins

All ducked up: Mancow proposes a toast to human-waterfowl relations.

"The thing that scares me most about America today," Mancow Muller says as he exits his kitchen's sliding-glass door and steps onto the terrace of his rooftop condo, "is—why aren't you already in the hot tub?"

Mancow's constant self-interruption is typical, even emblematic, of the wildly popular shock jock's style. Muller's unique mode of communication is the same in both his personal life and his nationally syndicated radio show, *Mancow's Morning Madhouse*. The show moves from man-on-the-street interviews to song parodies to phone calls, all in an extremely fast-paced fashion. His guests run the gamut from William Shatner to murdered "Lobster Boy" Grady Stiles's offspring, the Lobster Twins. Mancow's on-air stunts include feeding skinned-and-cooked pigeons—which he had killed with Alka Seltzer—to the homeless.

Muller's tangent-laden conversations and radio program aren't the result of Attention Deficit Disorder or a foggy mind; Cow sees, hears and feels more things at once than anyone else I've met in my life.

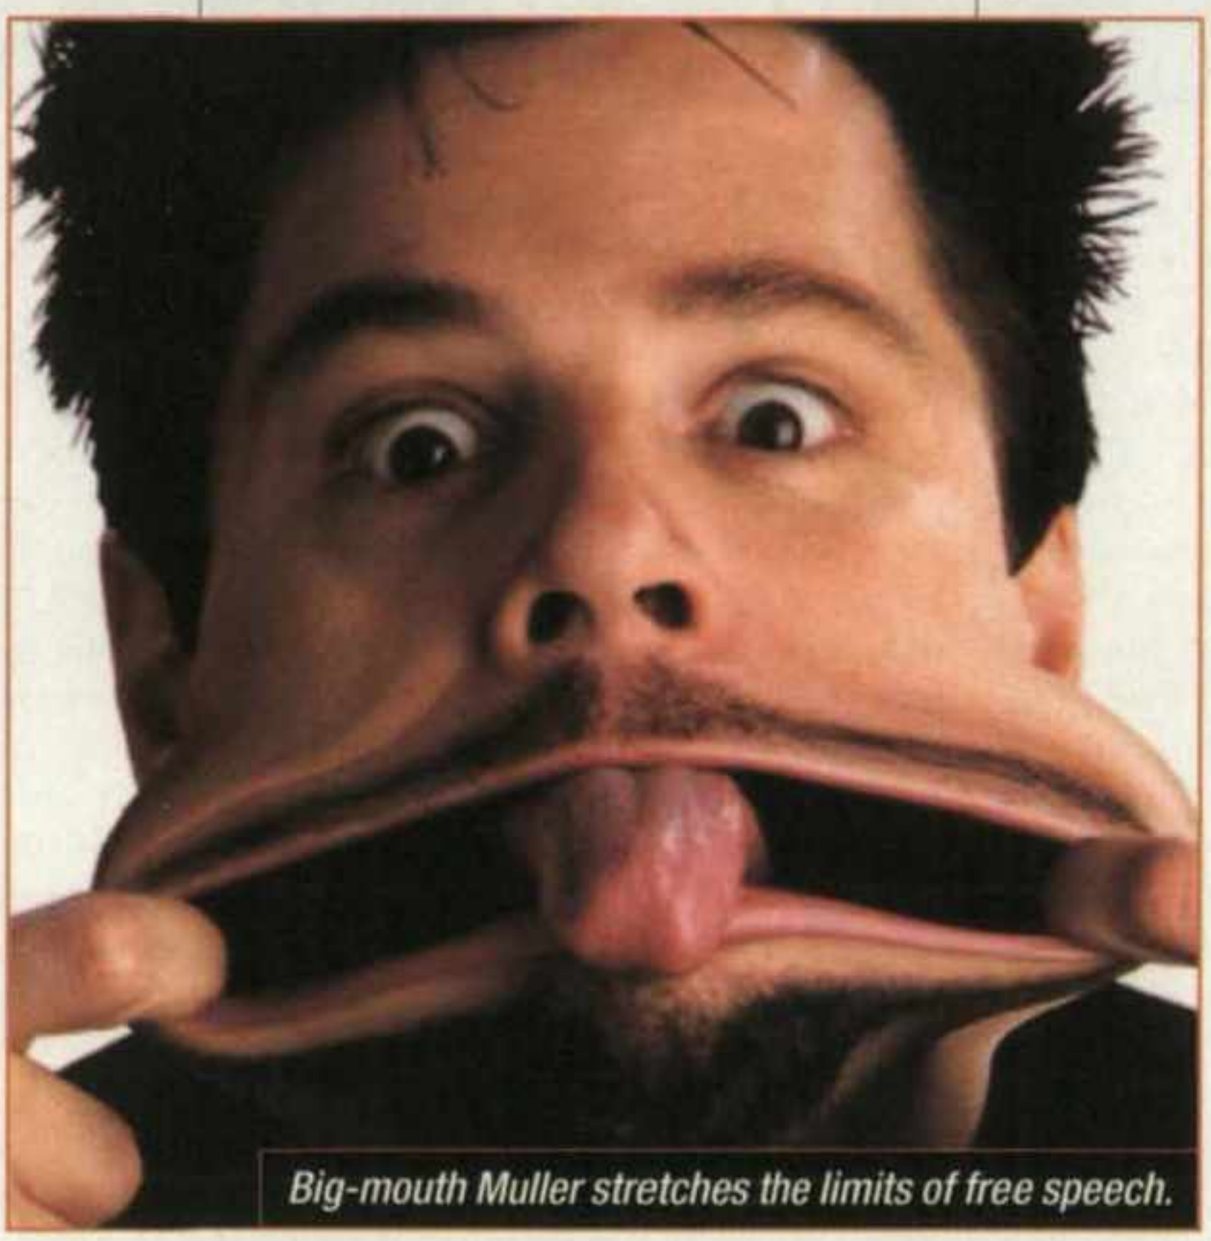
In fact, Muller is the best storyteller I have ever encountered. The Mancow method is always to plant the big idea, then move away to something else. Not once in our long friendship have I ever heard him start a story and not, sometime later, finish it. Tease and shift, tease and shift, tease and shift—it's the secret to great storytelling, seduction and sex.

"Get in. Sit down," Mancow says, stepping into his recently purchased hot tub. Water pours over the sides as his fit, 6-2 frame settles. More water pours out as I get in and lounge back. "I like to keep it full," he explains. He hits the button. Jacuzzi jets churn. "This is the newest thing: Put the tub where you want it, fill it with water, and plug it in. Bingo!"

The nighttime Chicago skyline—the Hancock Building to the Sears Tower and everything in between—sparkles in the distance. In drive-time radio, Mancow is number one with adult males here. I watch a man who grew up along the dirt roads of Harrisonville, Missouri, as he stares out at the huge city he's conquered but which sometimes intimidates him still.

On his left shoulder is a "Free Speech First" tattoo. Outsider artist and Mancow buddy Tony Fitzpatrick created the design for the cover of Mancow's *Fat Boy Pizza Breasts*, the fastest-selling independent comedy CD in Chicago's history.

Muller gained his notoriety for being rude, crude and in your face, but Mancow's underlying mission is to wake people up—not just out of bed to go to work, but to rouse them from the sleepwalker's life in which most of us exist. His goal is to help people discover and protect their freedoms, and to break the bonds of the corporate-created matrix of modern American life.



Big-mouth Muller stretches the limits of free speech.

"The fearmongers are winning," says Mancow. "They work like hell to trick us. 'You're under attack! Give us your freedoms now!'"

"Drug-free America? What a joke! What a scam!" Cow vents. "If my parents were different people, I would have been put on Ritalin while I was still in the womb. Per person, Americans buy more legal pharmaceuticals every day than any other country in the world. Why is the U.S. government against marijuana? Because it grows anywhere, just like a weed, and there is no room for corporate profits or government taxes on weeds. God, I love Amsterdam! Nobody needs to kill you for your wallet because smack addicts can buy a prescription fix for 15 bucks. Marijuana is legal and cheap, and you can buy it in any coffee shop—from a menu. Police don't hassle anybody, and prostitution is legal. I want to live where the good that parents demand of their children is bravery instead of obedient submission."

Mancow might very well live in Amsterdam one day, but he'd clearly prefer to see America as free as Amsterdam is. On this topic, his optimism shines. In a radio first, he took his whole crew overseas to broadcast the show live from Amsterdam in order to give America a whiff of liberty. (Mancow wrote a whole book with this reporter about his Amsterdam adventures called *Dad, Dames, Demons, and a Dwarf.*)

Of course, he knows he has his work cut out for him. "In John Frankenheimer's masterpiece film *The Manchurian Candidate*, the Chinese and Russians programmed and brainwashed people into doing whatever the programmers want them to do," says Cow. "All it takes is a combination of flashing lights and drugs. Well! Welcome to America's astonishing prescription-drug habit. Welcome to the constant strobe flash of dotcoms and mind-numbing reality TV. The first credit cards—like your first rock of crack—were given away free. Hook people on something it's impossible to get off of. 'Buy another little red pill! Buy another SUV!' Let the bank own your soul so you have to go to work for the next five or 50 years. Bow down to the god of money! Succumb to America's new religion of buy, buy, buy!"

Although the radio host has become a hot commodity himself, allowing him to amass material trappings such as the hot tub he issues the above screed from, Mancow claims to work for those who tune in, not for himself. Creating pleasure for another person is the best of all possible Mancow worlds—and another secret key to great storytelling, seduction

and sex. "Put yourself in their place, and then give yourself what you want. It's Jesus' Golden Rule," says the man who studied to be a minister.

What's a guy who emulates Jesus doing in HUSTLER? "I am not a prude. Jesus wasn't either. Jesus was all about breaking rules. I love the liberty givers. I hate the limit setters. The female body is not disgusting. It's my favorite of God's creations. A close second is dachshunds—they always make me smile. I love radio most for keeping my tongue exercised and limber. Guilt and rules may surround Jesus' gospel in the Bible, but I don't find them anywhere in what Jesus said. Get rid of the fear! Get rid of the slavery! Jesus was all about love.

"Remember how songs used to give you images?" Mancow continues by way of yet another conversational left turn. "MTV has destroyed that. The images running through the MTV generation's mind when they hear songs are someone else's movie—not their own." No wonder Mancow calls radio "imagination's final frontier."

The man comedian Andrew "Dice" Clay christened "the only morning-show host in America who's not an ugly blowpig" loves stirring people's imagination. It's the underlying reason that he hasn't traded his radio show for TV stardom. He doesn't like reciting words other people write because, no matter how good those lines might be, they would end his independence.

He also holds his guests to the same standard. Mancow turned down an interview with President Clinton because Bill's staff wanted to see the questions in advance. "What good is that?" Muller asks. "You never find anything out when someone knows what you're going to ask. It sucks the spontaneity out of life." Mancow believes life should be served like oysters, naked and raw...and with liberal dashes of hot sauce.

His plainspokenness aside, Muller knows that every preacher needs a sense of flair. "Give me a microphone! Give me sound effects! I will make you believe I am anywhere—doing anything," boasts Mancow. If he reads something from a newspaper on his show—even if he's printed it out in letters so big you could read it from ten feet away—he grabs some paper, holds it close to his microphone and crinkles it for his audience's benefit.

Mancow's knowledge of radio theater grew from listening to hundreds of hours of old American radio shows from the '40s with his father, who had recorded them off the air onto reel-to-reel tapes: *Jack Armstrong—The All American Boy*, *The Lone Ranger*, *The Shadow* and other classics played an essential role in shaping Mancow's showmanship.

Inside a horseshoe of electronic gear that dominates Muller's broadcast studio, the creator, writer, ringmaster and host of *Mancow's Morning Madhouse* is a blur of movement, turning from CD player to DAT deck, from car- *(continued on page 101)*

"People think Coward Sperm is my competition. That's not true. He appeals to the angry and the disenchanted of New York City. My audience is God-fearing, patriotic and optimistic family men. BEATINGS TO THE BEAT

THE Underground WORLD OF S&M MUSIC

Under the Whip With
TOM FARRELL

Velocity Chyaldd ponders the moronic spelling of her name.

THE WRATH OF PRAGA KHAN

The ball gag started rolling for fetish music in the late '80s, in Belgium of all places, when a diminutive man named Maurice Engelen hocked his guitar (and name) in favor of something more in line with the electronic sounds sweeping Europe. As Belgium gave birth to rave music, Engelen became Praga Khan. Within months, Khan had assembled a band of techno and rock musicians who shared his quest for fame and interest in the fetish lifestyle.

Incorporating frenetic rave beats with S&M, Khan's band, the Lords of Acid, burst onto the scene in 1989 with the regional hit "I Sit on Acid." The song's intro, gleefully chirped by the band's foxy lead singer "Darling Nikkie" Van Lierop, set the pace for the Lords' musical and lyrical philosophy: "Darling, come here, and fuck me up the rear."

Over the next decade, the Lords would record songs with titles such as "Pussy," "Take Control," "Slave to Love," "Pain and Pleasure Concerto," "Rough Sex" and "Spank My Booty."

Fronted by a revolving cast of hot female singers, the Lords hit the road (including seven U.S. tours), playing to nearly 300,000 fans. The Lords' music has landed in numerous motion pictures, including *Austin Powers: The Spy Who Shagged Me*, *Slizer* and *Bad Lieutenant*, and the band has pulled down more than 1.5 million albums sales, making it the most successful band on the fetish circuit.

The Lords' tongue-in-cheek approach to their songs and live shows kept the group elevated above the darker elements of the fetish scene, making Praga Khan a sort of Benny Hill figure in the rave and S&M club scene. "We've always had a big sense of humor that shows up in our music," explains the soft-spoken Khan. The Lords pull audience members onstage to be spanked and whipped in a mock fashion. "It's about having fun, really. There's nothing really dark about the band."

Ex-model Deborah Ostrega, the band's fourth front woman, takes the whole

fetish aspect of the Lords in stride, though she was surprised to discover that the band's onstage carnal antics actually drive audience members to fuck. "At first, it was a little unusual, and I would think, *Are those people having sex out there?* But then you get used to it," she smiles. "It's just another day in the life of the Lords of Acid."

SPANK YOU VERY MUCH

The success of the Lords of Acid opened the door for a host of fetish artists who were inspired by the band's energetic live show, music and ability to reach the masses above and beyond the bondage-club circuit. One such group was Spanking Machine, who formed in Los Angeles in 1997. Fronted by Rubenesque dominatrix Mistress Victoria Kalimata, Spanking Machine quickly became the cream of the riding crop for the West Coast fetish-music scene, scoring gigs opening for bands such as sadomasochistic metal heads the Genitorturers and hitting the boards at West Coast kink events such as the Psychosexual Ball, the Los Angeles Fetish Ball and the Portland Fetish Masquerade Ball.

This is the Lords of Acid on acid.

Two years after their formation, Spanking Machine released *Homemakers Guide to Electric Sex*. The album's cover features the Empress of Erotica, a Los Angeles-based fetish model/dominatrix who joined forces with the group's titillating stage show.

During their live performances, Mistress Victoria whips her slaves and forces them to kneel before her and lick her boots, actions she performs on her stage slaves and willing audience members alike. "We're trying to bring the audience into our world and seduce them into opening their mind to the possibilities of fetish, S&M and B&D," she explains. "Our goal is to create something where the audience gets involved, whether they go home at night and explore those ideas or whether it happens at the show. That's happened several times, where in the audience, people that you never expect to be doing erotic or sexual things [are] off in the corner exploring their own sexuality. I usually see a lot of oral sex in the audience. Sometimes that can be a problem at some of the clubs we played."

Spanking Machine's live shows keep a high-heeled boot planted heavily in the fetish-performance subculture, and feature numerous costume changes, fantasy themes and even storylines. Visual spectacles range from full Kabuki costumes to a white wedding gown and tuxedo affair that's completely drenched in blood.

The group's musical raison d'être, however, is Lord Spanky, an accomplished club DJ who gives Spanking Machine its sound. "We create a musical soundscape that is dark and erotic, with a seductive quality to it," says Spanky of his group's sonic stance.

Beyond the beats, Spanking Machine has gained an audience with its lyrics and song titles. Their latest CD, *Simple Solutions to Perverted Problems*, features songs such as "Deathryde to Mommiez," "Flesh Chamber," "Gotta Get Off" and the facetious "Nazi Love Slave," which contains the lyrics, "Say hello to Schindler's Fist," and, "There's a war inside my pants."

THE EMPRESS HAS NO CLOTHES

The Empress of Erotica, a Los Angeles-based fetish model/dominatrix, joined forces with the members of Spanking Machine for a brief time, first appearing on their debut EP cover, then

on their flyers, then on their stage.

The statuesque Empress has done her own performance-art/fetish show from Las Vegas to London and at all of L.A.'s top nightclubs. She's been featured in a slew of fetish magazines and periodicals as diverse as *Rock City News* and *Extreme Rocketry Magazine*, where she appeared as the centerfold.

But the Empress is best known to fetish-rock fans through her brief alliance with Spanking Machine, who dismissed her after her stage show went too far. Onstage, the Empress has eaten raw meat, peed in the mouth of her slave girl, and indulged in many practices from the B&D and S&M lifestyle. "It's really edgy and dark," comments the Empress, "lots of nudity, blood, guts, whipping and masturbation."

It was the onstage urination and partial nudity that drew the wrath of area club owners, prompting Spanking Machine to end its relationship with the whizzing diva. "There was a big argument about whether or not I should do the pee thing or not," recalls the Empress, who now restricts her fetish activity to her own performance-art shows.

WILD CHYALDD

"I like to make the audience my bitch," smiles Velocity Chyaldd, the sexily psychotic front woman for New York City-based horror-fetish outfit Vulgaras. Along with cofounder Goddess Diana, the band's transgender drummer, Chyaldd is out to "hornify" and "open the hearts" of the band's audience.

Vulgaras have quickly earned a name for themselves in the NYC club circuit with their wild stage shows, which include knife play, gallons of stage blood, dildos and dolls. With song titles like "A Family a Fuck," "Narcotic," "Smells Like Daddy" and "Deflowering," Vulgaras plunges into darker sexual waters than most fetish bands.

"I like to molest and physically abuse a Betsy Wetsy doll," smiles Chyaldd, who also—surprise!—works as a professional dominatrix. "Sometimes I just go down on

her; sometimes she pees in my mouth. Other times I just beat the crap out of her, twisting her body this way and that, and then I'll start licking her pussy. Then I'll be more nurturing, and I'll pull my breast out and start to feed her."

The doll routine seems like a Quaker picnic compared to other aspects of Vulgaras' live show, particularly when Chyaldd engages in knife play with her exposed, shaved genitals.

"When I bring the anger aspect into my show, that's when I knife my pussy," she explains. "It's a real butcher knife, and I've been playing with it for several years, so I usually don't cut myself. Once in a while it happens."

While Chyaldd doesn't exactly insert the butcher knife into her snatch, she rubs the tool of dismemberment against her opening in a way that satisfies her self-confessed knife fetish. "It has a nice, dangerous phallic concept that I find erotically appealing. I usually use it on my mouth, sticking my tongue out and slapping the knife against it before using it on my arms and nether regions."

Apparently, a gal will do anything these days in her quest to be on the cutting edge of music.

Question: What's the difference between a porcupine and an SUV? Answer: A porcupine has pricks on the outside.

A guy walked into a bar and slipped on a pile of dogshit just inside the doorway. He got up, cleaned himself off and ordered a drink.

A second later, a big man walked in and slipped on the same pile.

"I just did that," the first guy laughed; so the big one stood up and punched him.

Question: Why doesn't Smokey the Bear have any children?

Answer: Because whenever his wife gets hot, he beats her with a shovel.

A brunette, a redhead and a blonde worked for a woman who always left the office early on Fridays.

One week, the girls decided to duck out as well, once the coast was clear. The brunette went shopping, the redhead went to a bar, and the blonde went home, where she found her husband and her boss having sex.

On Monday morning, the girls all gathered around the water cooler to chat.

"Leaving early last Friday was great," said the brunette. "We should do it again this week."

"Totally," agreed the redhead.

"No way," the blonde insisted. "I almost got caught."

A couple of hookers were riding around town with a sign on top of their car that read TWO PROSTITUTES —$50.00.

A policeman, seeing the sign, stopped the pair and told them they'd either have to remove the sign or go to jail. Just then, another car passed with a sign reading JESUS SAVES.

One of the girls asked the cop, "How come you don't stop them?"

"Well, that's a little different," the cop smiled. "Their sign pertains to religion."

The two ho's frowned, took their sign down and drove off.

The following day, the same cop was in the area when he noticed the two ladies driving around with a large sign on their car again.

Figuring he had an easy arrest, he caught up with them, when he noticed the new sign that read TWO FALLEN ANGELS SEEKING PETER—$50.00.

The HUSTLER Dictionary defines *tranny fluid* as: She-male ejaculation.

Two Italian men were sitting outside the butcher shop talking.

"Guido," the first man said, "do you like the women who have mustaches and big, hairy moles on their cheeks?"

"No, Marcello, not one bit," Guido answered.

"You like-a the hairy armpits and hairy legs?" Marcello continued.

"Of course not," Guido huffed.

"How about a woman with sagging tits and a big, fat ass?" Marcello persisted.

"No way, that's crazy!" Guido snapped.

"Then, Guido," Marcello demanded, "why you fucking my wife?"

The teacher asked little Kenny if he knew his numbers.

"Yes, I do," he answered. "My daddy taught me."

"Good. What comes after three?" the schoolmarm inquired.

"Four," answered the boy.

"What comes after six?" the teacher quizzed.

"Seven," the boy said confidently.

"Very good. Your dad did a great job," the educator commended. "And what comes after ten?" she asked.

Little Kenny proudly answered, "A jack!"

Panhead Pete was out riding along happily on his Harley late one Saturday night. Before too long, he got pulled over by a cop.

The officer walked up to him and asked, "Hey, buddy, have you been drinking?"

"Why do you ask?" Pete wondered. "Was I weaving all over the road or something?"

"No," replied the policeman, "you were driving just fine. It was the ugly, fat chick on the back of your seat that gave you away."

BOND-CON'S VEGAS PONY-GIRL EXTRAVAGANZA

In the Saddle With Ernest Greene

"The pony-girl run was like a triathlon for submissives," says lifestyle-BDSM player Slave Dove, a blond filly with full breasts and a sense of adventure to match. "The bondage was demanding, and the exertion of pulling a cart while wearing a full-body harness and stiletto heels was physically taxing. But it was also an incredible turn-on. Just clamping the bit between my teeth made my clit come alive. Prancing through a crowd with my shoulders back, tits out and head held high, I was on exhibit like a rare, erotic specimen. I'll never forget the experience."

Neither will the hundreds of onlookers who saw Slave Dove and five other bondage babes in latex bodysuits and classic, pony-fetish tack trot through the casino and parking lot of the Stardust Hotel in Las Vegas, carts and drivers in tow. Not since Lady Godiva has such a brief ride turned so many heads.

Bond-Con, a recent gathering of BDSM professionals and enthusiasts, had booked the facility for a weekend of workshops, gear-swapping and socializing, drawing a lusty crowd of kinksters, including contingents from two of the most creative ateliers in the bondage trade: LederMeister and House of Gord. LederMeister (LederMeister.com) creates the most elegant

leather restraints on the market, rightly characterized by Slave Dove as "the Neiman-Marcus of bondage toys." House of Gord's eponymous creator is known for orchestrating fiendishly ingenious and complex ways of restraining the lithe, flexible female bodies that grace HouseOfGord.com and attendant publications.

Both Gord and LederMeister are longtime enthusiasts of pony play, and they're not alone, as evidenced by the proliferation of Web sites, chat groups, clubs, events and even a magazine (*Equus Eroticus*) for human-pony aficionados.

Titillating images of bitted, bridled and blinkered girls date to the earliest days of modern fetish culture. Ubiquitous in the illustrations of kink-art greats from Eric Stanton to Bob Bishop, the pony girl was a favorite theme of the genre's undisputed maestro, John Willie, whose elaborately detailed renditions define the archetype.

"Willie's pony girls represent the Holy Grail of the concept," says LederMeister, who collected the artist's pioneering fetish mag *Bizarre* back in the 1950s. "He drew them with a style and class we strive for in the scenes we create today." LederMeister's harnesses and carts are engineered directly from Willie's drawings. Such perfection doesn't come cheap. By LederMeister's estimate, more than $10,000 worth of harness parts and vehicles were used in mounting the Bond-Con performance.

"Pony play pays tribute to the athletic beauty of femininity," Gord observes. "A horse is a regal creature: powerful, beautiful, strong-willed and hard to break. What better symbol could there be for the dynamic that arises between two human beings when one appears to take control and the other appears to submit? And what better view could you enjoy of a girl's butt in motion than riding behind her in a cart? It's pure poetry."

Gord and LederMeister collaborated on the Bond-Con pony-girl spectacular. "There's always been a friendly rivalry between them," according to Gord's partner and fellow equestrian trainer Lady Serena, "as to who does the most ingenious pony-girl rigs. So when we all wanted to make a grand entrance at Bond-Con, we agreed that nothing could be more grand than a procession of pony girls pulling carts."

The human ponies' ten-minute ride

through the hotel's casino and grounds brought cheers and applause from a surprised and delighted throng of Bond-Con participants, gamblers and passersby, as well as plenty of flash-bulb-popping from a firing squad of paparazzi. Even a crew from *NBC Nightly News* lined up for the photo-op. For the human ponies themselves, the experience was no less remarkable.

"It was quite arousing to see the lust in people's eyes as we went by," recalls pony Rose, who's both an unabashed exhibitionist and "a horse-crazy girl who went to riding camp as a kid. Even then, I think I wanted to be a pony, but I didn't understand all the reasons until I got a bit older." Slave Dove agrees that "being a pony girl puts me on display as a submissive, tests me and gives me an opportunity to prove who I am. It transports me from all my concerns and liberates me to be a naughty slut for all to admire."

Statuesque bondage model Sadie Belle, who had never done a pony-girl routine before, also found the experience exhilarating: "It was an honor to be the lead steed in the procession. I was nervous at first, but once we started, I was prancing proudly, very stimulated by the attention of the crowd."

LederMeister encapsulates the high-kink, high-style appeal of the pony-girl persona: "The secret is to make the girls look stunningly impressive and beautiful, whether in bondage or in fashion. What woman doesn't want to be admired by every man she passes?"

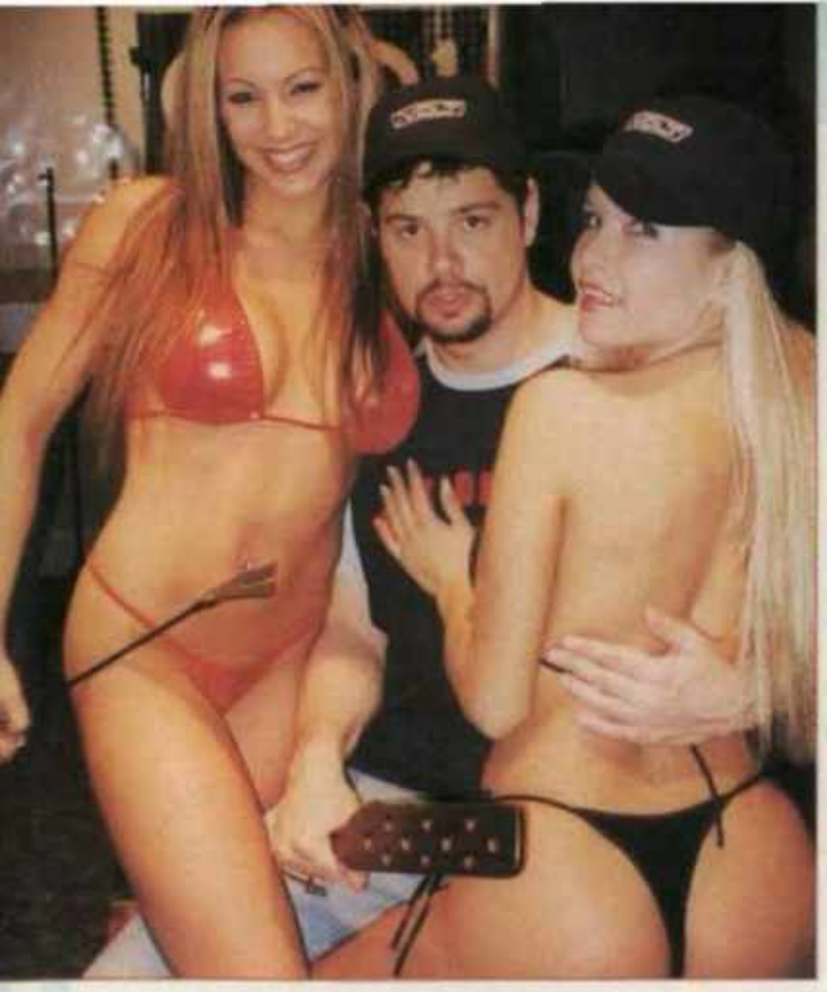
"Two and a half years later, and they're still trying to justify the 2000 Presidential selection."



Believe it or not, DJs actually do get groupies.

(continued from page 60) tridge tape deck to telephones, and swaying over the 30-channel control board. Punch on a parody song! Punch a phone scam onto play! Punch up a phone call! Interview guests! Mancow presides over a madhouse with his crew. Constantly, he moves his microphone with him. Inside his 6-by-9-foot work area, Cow probably speed-walks eight miles every day between 5:30 and 10:00 a.m. The daily exercise keeps his body fit. When emotion strikes, he pounces on the mike, pulls it close and paces like a tiger while the feelings spew from his gut to his lips.

Twenty-two guests are scheduled for today. Ron Jeremy, the Hedgehog of XXX fame, will stay in the Mancow studio for the whole show, along with Moonlight BunnyRanch owner Dennis Hof and his gal pal Sunset Thomas, who shows off her new teardrop-shaped breasts to everyone who might remember the basketball-like tits she used to have.

What could be called Mancow's "Operation American Freedom" and his in-the-flesh commitment to free speech buys him trouble all the time. Telling listeners that his van guy, Turd the bartender, would drop a cinder block on their cars if they flashed their lights and honked as they drove under Chicago's North Avenue Overpass landed Mancow in court.

In 1993, Air Force One sat on an LAX runway for 90 minutes while a Hollywood hairdresser gave President Clinton a trim. For all that time, no planes landed and none took off. To protest the perceived Presidential arrogance, Mancow stopped his station van in the middle of the San Francisco-Oakland Bay Bridge while his sidekick DJ Chuy Gomez got a haircut of his own. The on-air grooming "shut down" the bridge during rush hour. People got mad and stayed mad at Mancow. A class-action suit was filed against Mancow, and Muller ultimately had to pay a $500 fine and perform 100 hours of community service. His radio station agreed to pay $1.5 million, some of which went toward three days of toll-free commuting.

Worse, the IRS called Mancow in for an exhaustive audit; whether or not this is related to Mancow's on-air antics is unclear.

"The fearmongers are winning—'Orange alert! Sign the PATRIOT Act now!'" says Mancow as he uncaps a Warsteiner on his brass, bulldog-face bottle opener. "After 9/11, the fearmongers won. They work like hell to trick us. 'You're under attack! Give us your freedoms now!' Hell, they don't even say that anymore; they just take our freedoms away. What scares me most in America today is we'll never get those lost liberties back. Man, we have to try. We have to work to get our freedoms back and preserve the few we have."

And with that, Mancow finally finishes the sentence he started an hour ago, when he entered his rooftop hot tub.

Directed by Jim Powers.

Starring Rachel Rotten, Julie Night, Britney Alexander, Ashley Moore, Renee Pornero, Saphire Rae, Dave Hardman, Mr. Pete, Kyle Stone, Dick Tracy, Rob Rotten, Rod Fontana, Johnny Thrust, Crash, Alec Metro, Jim Powers, Randy Rodgers, R-Dogg and Delina Pimentel.

DVD: Multimedia Pictures/Notorious Productions.

In this adult parody of the punk-rock opus *Suburbia*, bohemian cock-gobbler Rachel Rotten grows increasingly weary of her fucked-up home life and decides to hit the streets. She gets too drunk at a show and crashes at a squatter house filled with perverted punks and salacious sluts. With decidedly higher production values than the film that inspired it, *Little Runaway* is a terrific blend of stroke fodder and bone-rattling punk rock. The hot and nasty slut-fucking peppered throughout is punctuated with a killer soundtrack by D.I., U.S. Bombs and the Sick—the antithesis of the generic noodlings that serve as the average porn flick's score. Following an anal joyride courtesy of Dave Hardman, sperm-sucker extraordinaire Julie Night actually polishes the knob of D.I.'s lead singer. Spoof or no spoof, director Jim Powers breaks new ground with *Little Runaway*. ***—Stewart Wallace***

Miami Sin Machine

Sex, Promiscuity and HUSTLER at WMC 2003

Brittany Starr does Miami.

There are no ugly people in Miami. At least that's how it seemed during the 18th annual Winter Music Conference in March. Imagine 10,000 hot, sweaty, single and barely dressed women grooving to the latest house, hip-hop and techno tracks at open-bar poolside parties sponsored by clothing lines like Diesel, and you're getting close to the sophisticated tropical fuckfest that is Miami during WMC. Naturally, HUSTLER was on the scene, sponsoring two bashes, including one hosted by Dustin Flynt.

The Winter Music Conference has quickly turned into the world's must-attend event for electronic music-industry players and fans alike. DJs, producers and high-profile electronica acts like Underworld descend on Miami's trendy South Beach district for sun, sea and sex. World-renowned DJ Josh Wink has played the WMC almost every year since 1990. "It's hedonistic for sure," says the Philadelphia-based track-master. "People want to get laid, and the girls in Miami are incredibly hot and, you know, intellectual," he adds, tongue firmly planted in cheek.

A plethora of porn stars made it out to the WMC this year as well, no doubt working on their Ph.D.s in fucking. Brittany Andrews, for one, arrived in Miami with the proper attitude. "This city is great!" gushed the XXX slut, who shares a booking agent with many DJs. "I feel sweaty and slutty as soon as I get off the plane here." Another Brittany who can't get enough of porn or party appearances in Miami is Brittany Starr. "The men are very hot, and the girls are even hotter," coos the busty blond starlet. "We just went crazy (at WMC) this year. My girlfriends and I were walking up and down the street doing live sex shows in public—pulling down our pants and just making out in hotel fountains or wherever. Miami is crazy like that!"

From the massive "Ultra" party, with over 70 DJs performing, to the trendy and downright freaky private soirees in swank hotel suites, WMC is the weekend you want to be in Miami. To see just how out of control things can get in Miami during the Winter Music Conference, check out HUSTLER Video's own *DJ Groupie*, filmed on location during the 2001 WMC.

Starring Eva, Cherry Rain, Vivienne La Roche, Mia Stone, Suzie, Judy Star, Nautica, Karlos, Steven French, Justin Time, Anthony Bounis and Choky Ice.
Videocassette and DVD: HUSTLER Video.

In *Campus Confessions #4*, nubile sapphic cohosts Judy Star and Nautica introduce each scene in escalating states of undress. The superb camerawork captures delectable young adults like Mia Stone and Cherry Rain in all their cock-straddling glory. Extreme close-ups of tight, salmon-pink sushi tacos and even tighter chocolate cherries transport viewers into the sensuous throes of unbridled, barely-legal lust. When Vivienne La Roche's anal reverse-cowgirl leaves her rectal starfish gaping, the camera zooms in so tightly that the viewer practically gets shit flecks in his eye. But make plans to go bowling with your swollen sack afterward. Emcees Judy and Nautica build up to their scintillating tryst throughout the entire length of *Campus Confessions #4*, then offer just a pricktease glimpse of their scene in the next installment. Rain Coater's Point of View #3

Directed by Vince Vouyer.
Starring Nikki Dawn, Mandy Bright, Alexia Knight, Brooke Balentyne, Holly Stevens, Aimee Donovan and various stunt cocks.
Videocassette: Red Light District.

Rain Coater's Point of View #3 was filmed with the at-home jerkoff in mind; so you don't have to worry about losing wood at the point when the camera cuts to a scrunchy "o-face" reaction shot of someone like, say, Ron Jeremy. All scenes begin with a prick lick and culminate with either a cannon in the crap hatch or cooch. Of these six scenes, there's not a single skank in the cast to be found. Newcomer Mandy Bright sets the tone by crawling around the floor, rubbing her slit and perky flesh pillows before gobbling man-meat like a veteran shaft-slurper. This slut truly loves cock, and it shows as her back door is invaded by a marauding mass of ebony sir-loin. Raven-haired Brooke Balentyne is a self-proclaimed "dirty little whore" with a penchant for verbal abuse. Sporting pigtails and a shaved pussy, this cum-craving, 20-year-old twat will have you grabbing your groin in seconds flat. *Rain Coater's Point of View #3* is a wet-and-wild ride. ***—S. W.***

Directed by Misty Rain.
Starring Misty Rain, Silvia Saint, Lea DeMea, Venus, Juli Silver, Nomi, Angela Crystal, Ian Scott, Chad Thomas, Julian St. Jox, Claudio Meloni and Andreas Moranty.
Videocassette: Pure Filth Productions.

Misty Rain's Worldwide Sex #9 looks like a bunch of discarded scenes from a knockoff of E!'s *Wild On...* series. The "too hot for TV" bits are scorching, but overall, the video is so bogged down with rambling, boring-ass travelogues that you'd better have fresh batteries in your remote. That said, the cast is a stellar assembly line of blond babes; once the weary would-be stroker finally gets to the first sex scene, Misty makes up for lost time with the mind-blowing double whammy of droolworthy Juli Silver and Lea DeMea taking on three dudes. Misty and the super-busty Venus give jizz queen Silvia Saint a proper send-off, complete with dildos, butt plugs and anal beads, in what's billed as the Czech sex kitten's last scene ever. More than half of *Misty Rain's Worldwide Sex #9* is pure filler, but the few-and-far-between acts of carnality let you put down the remote for a minute and cramp up your hand for a whole different reason.

Lovesexy

Directed by Chloe.
Starring Julie Meadows, Ruby, Becca Brat, Chloe, Aurora Snow, Randy Spears, Flick Shagwell, Steve Hatcher, Eric Masterson, Tommy Wanna and Tice Bune.
Videocassette: VCA Pictures.

Loosely based on the concept behind *High Fidelity*, *Lovesexy* tells the tale of a slighted Julie Meadows, who gets dumped by her boyfriend, elder swordsman Randy Spears. Unsure of why guys always end up kicking her to the curb, the blond, bunny-faced fuck muffin goes back and contacts the "top five" worst breakups in her life in an effort to gain insight into her unstable relationships. Like *Fidelity*'s protagonist, Rob Gordon, Julie addresses the camera with a blend of humor and conviction, when she's not stuffing her cooch with as much cock as she can handle. A particularly steamy dream sequence finds Spears impaling Flick Shagwell's honeypot as Chloe pries open her poop chute with her talented tongue, followed by a flashback of Julie deftly gulping Steve Hatcher's man-root while Eric Masterson pounds her pussy doggy-style. *Lovesexy* delivers the goods.

Starring Sydnee Steele, Asia Carrera, Aria, Nicole Sheridan, Kim Chambers, Jordan Haze, Michelle Lay, Voodoo, Brad Armstrong, Jonathan Morgan, Mark Davis, Scott Styles and Dillon.
Videocassette: Wicked Pictures.

Sydnee Steele tries to lay low while her mobster ex-boyfriend is out to whack her in *Lost & Found.* The bare-bones plot takes a back seat to Sydnee's nympho tendencies and impressively honed bedroom skills. Even so, Asia Carrera gives Steele a run for her money as the neighborhood tramp. Asia and Nicole Sheridan welcome Sydnee to the neighborhood with "special" brownies and a frenzied, pawing, all-girl threeway. That highlight is soon eclipsed by the cranked-to-11 energy of a bash at Asia's house. Carrera, Jordan Haze and Michelle Lay bestow a round-robin blowjob on a lucky male stripper while a circle of chicks look on. Stormy, in a non-sex role, gets up-close and personal to videotape the circle suck, right up until a gunman looking for Sydnee bursts in. Luckily, the stripper shoots his load first, and *Lost & Found* keeps its priorities straight.

If you've ever wondered what goes on behind closed cockpit doors besides the occasional pre-board martini, look no further. According to the credo of the "Mile High Club," there are three levels that qualify for membership. The first is if you have sex with a husband or wife, the second is if you do so with a stranger, and the coveted third—with a member of the flight crew. That being said, the crew of *Air Erotica* passes out upgrades like condoms at an anti-teen-pregnancy rally. Melody is the first passenger to visit the cockpit, where she's promptly plugged by a punishing penile penetration. Chloe Jones recounts her past experiences as a flight attendant and flashes back to a gash-gushing session in the cargo hold with raven-haired beauty Chloe Dior. Kelly Tyler plays an unruly passenger who gets silenced (and serviced) by Ben English's massive tube steak. Fasten your seat belts—*Air Erotica* is set for takeoff.

Ass Cleavage

Directed by Mark Davis.
Starring Lea DeMea, Karen Kam, Carmen, Angela Crystal, Britney Foster, Monica Sweetheart, Mark Davis, Tony Rivas, Manuel Ferrara, Steve Holmes and Pat Myne.
Videocassette: Zero Tolerance Entertainment.

The hardest thing about *Ass Cleavage* is passing the audition. Fine pieces of gluteal splendor such as Monica Sweetheart and Angela Crystal have to win their roles by wedging a tiny U.S. flag into their butt cracks and wiggling it around. Once this bit of patriotic carnality is accomplished, the flick is no more booty-centric than your average gonzo porn. The good news is, it would need a chicken named Camilla to be any more gonzo. Every single babe sports a prime example of the eponymous body part, but none of them fully flaunt it. There is a buttload of ass play—tons of 2-on-1 action, with fast and furious anal reamings and D.P.s served up as heaping side dishes to the usual fare. *Ass Cleavage* is solid, all-purpose hard-core with mass appeal, offering as much eye candy for blowjob enthusiasts and kinky couples as it does for butt cheek freaks.

High Rise

Directed by Andre Madness.
Starring Gina Lynn, Angel Long, Mary Carey, Olivia Saint, Cameron Cain, Dillion Day, Tony Tedeschi and Lee Stone.
Videocassette: Pleasure Productions.

High Rise is a cautionary tale of a man whose obsession ultimately leads to his downfall. Dillion Day plays a young executive who works in the same building as flaxen-tressed fuck pet Gina Lynn, but has difficulty expressing his feelings toward her. Mary Carey is Day's buxom secretary. Day fantasizes about plowing Ms. Lynn, but in the end, it's his boss, Tony Tedeschi, who pummels his way into Lynn's pussy like a jackhammer through concrete. When Dillion finds out, he connects fist to face with the boss, gets fired and ends up a homeless, girlfriendless shell of his former self. Although there are a few noteworthy scenes, the story is thinner than Kate Moss on an all-tapeworm diet and a tad too verbose. A blistering scene between white-hot labia lickers Mary Carey and Olivia Saint in an office bathroom with a double dildo is certainly worth checking out, but the bottom line is that *High Rise* could have aimed further skyward.

Alien Sex Fiends: On the Set of *Space Nuts*

Wicked Pictures' latest foray into surrealism took place on a cold afternoon in May, high atop a mountain overlooking the Pacific Ocean. The cast was as breathtaking as the view. XXX vixens Devinn Lane and Stormy, looking as fuckable as ever, sat lounging in the guest house of the mansion, shooting the shit and patiently awaiting their respective scenes. A handful of extras were sprawled out on the back lawn, resting up for the inevitable call to action from director and veteran swordsman Jonathan Morgan. An H.R. Giger-inspired alien replete with tendrils is wandering around with Randy Spears. Even in an industry that gave us *bukkake* and onscreen midget copulation, this is as bizarre as it gets.

Space Nuts is being hailed as Wicked's most expensive production of the year. This was evident considering the magnitude and scope of the sets, elaborate makeup, costumes and prosthetics. A visibly weary Devinn Lane explained the consequence of such a grandiose project.

"This shoot has been really, really long. It's funny; the film is a comedic pornographic takeoff on *Spaceballs* and *Star Wars*, even though *Spaceballs* was [itself] a spoof. Normally with a spoof of a spoof, the second one becomes kind of serious, but in pornography, all the rules are thrown out the window." Devinn immediately set the record straight that she wouldn't be fucking any space aliens during the production. "No, I'm fucking Evan Stone, who plays [heroic character] Buzz Starfucker. I'm the Dark Witch, and I will have my way with him."

The cast also includes Randy Spears, Amber Rain, Kaylani, Jessica Drake, Katie Morgan and a special appearance by the Hedgehog himself, Ron Jeremy.

Space Nuts is scheduled to be released in fall 2003.

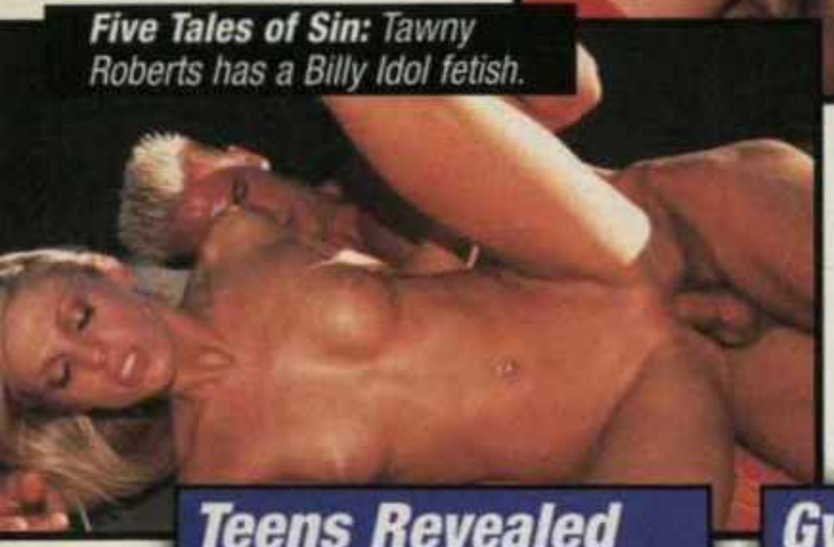
Ass Cleavage: *Britney Foster's manicure needs some lubricant.*

Ass Cleavage: *Karen Kam: "Next time, aim for my mouth, Tony!"*

High Rise: *Gina Lynn plots her escape from Tony Tedeschi's atrociously decorated room.*

Teens Revealed: Cherry always gets the short end of the stick.

Teens Revealed: Simone: "Can't you read? It doesn't say PLEASE STICK IT IN MY SNATCH."



Five Tales of Sin: Tawny Roberts has a Billy Idol fetish.

Gypsy Curse: Jessica Drake winces from the splinters.

Five Tales of Sin: Honey and Kaylynn share a meat spliff.

Gypsy Curse: Lezley Zen is clearly impressed with Evan Stone's bendable boner.

Teens Revealed

Directed by Michael Stefano.
Starring Cherry, Malaysia, Kitty, Eliza, Simone, Ann Harlow, Michael Stefano, Manuel Ferrara, Brandon Iron, Steve Holmes and Anthony Hardwood.
Videocassette and DVD: Platinum X Pictures.

Teens Revealed could be the finest piece of legal-teen smut a foot-loving goomba and a makeup artist with fistfuls of fake eyelashes could hope to muster. Sexy beanpole Ann Harlow is the featured star, looking far more whorish than in her freckle-faced HUSTLER Video appearances. On the plus side, she finally ditches her onscreen boyfriend to be the center of a love sandwich with the mook filmmaker and his buddy, which proves to be a milestone on her path to hardened porn slutdom. Kitty's a cute, giddy Asian nympho who looks far too tiny to tackle a monster cock but somehow crams a kidney-buster into her tight snatch. Carrottopped minx Cherry steals the show out from under the more experienced teen sluts with her fierce cock-smoking skills and natural-born bisexual tendencies. Truth or Dare-style interviews further flesh out the action and turn *Teens Revealed* into an A+ show-and-tell.

—J. P.

Gypsy Curse

Directed by Bud Lee.
Starring Asia Carrera, Lezley Zen, Sammy Bright, Jessica Drake, Aurora Snow, Sunrise Adams, Flick Shagwell, Anastasia Sands, Evan Stone, Lee Stone, Trevor Zen, Jason Silver, Steven St. Croix and Micky Ray.
Videocassette: Simon Wolf Productions.

In *Gypsy Curse*, Evan Stone plays a vagrant who saves an old gypsy. As a reward, the altruistic vagrant is mystically transported into a life of extreme decadence, but he soon concludes that being wealthy has its drawbacks. Stone spends most of this flick cluelessly wandering through his newly acquired mansion, stumbling upon fuck scene after fuck scene while searching for his dog, which has been stranded in the other dimension. Or perhaps Stone was simply looking for a way out of this uninspired film. Although the cast is as fuckable as they come (Flick Shagwell, Sunrise Adams, Jessica Drake), the sex never quite sizzles. Stone's bitchy, cock-starved wife, Lezley Zen, is the hottest thing about *Gypsy Curse*, and even her salacious, zipper-busting scene can't make up for the lukewarm performances therein. Viewers should wander past *Gypsy Curse* in search of better stroke fare.

—S. W.

Five Tales of Sin

Directed by Pat Myne.
Starring Charmane Star, Dee, Tawny Roberts, Kaylynn, Honey, Britney Foster, Pat Myne, Dillon and Lee Stone.
Videocassette: Metro Inc.

The big problem with *Five Tales of Sin* is its title. Morality doesn't factor into the proceedings. Moreover, these aren't tales, they're straight-to-the-point fuck scenes. Even the titular tally is dicey, as there are six chicks to drool over. Nonetheless, veteran performer Pat Myne goes behind the camera to craft a stylish, well-shot, no-bullshit compendium that showcases these honeys' greatest assets. The sex acts themselves are less stirring—they simmer, but never boil over. Teen-tape graduate Honey spices things up in a threeway with Kaylynn and Lee Stone, baring newly inflated chest balloons designed to make you pop. *Four Beddings and a Fun Anal* could have been a more accurate title, but smoking-hot Britney Foster blows that in the last scene by doubling the anal tally with an ass-blasting of her own. If *Five Tales of Sin* has a moral, it's that a good title is harder to nail than a hot porn chick.

War Unc

During the Iraq war, people around the world were granted access to images that the average American was never presented with. For nearly three decades, HUSTLER has been a champion of the people. As such, we believe that Americans have the right to the same information as citizens of other countries.

Unfortunately, our media is in such a sad state of affairs that a porn magazine is the only outlet brave enough to give its readers the whole truth. It's ironic that if *we* don't provide the American people with these glimpses of the realities of war, no one will.

Critics may charge that, by not censoring ourselves as the mainstream media has, we are being unpatriotic. HUSTLER maintains that promoting a truly free press is essential to preserving America's values. Our Constitutional right to freedom of speech becomes meaningless unless we use it. Moreover, the decision to enter a war should not be made lightly; we must do so armed with a clear view of the consequences of our actions.

Why is the media afraid to show you how horrible war can be? So-called journalism in America has been hijacked by the military-industrial complex and multinational corporations, so much so that the press has become nothing more than the propaganda arm of the Pentagon and its cohorts: the greedy corporate profiteers.

We wish their sugar-coated version of reality were true. Unfortunately, it isn't.

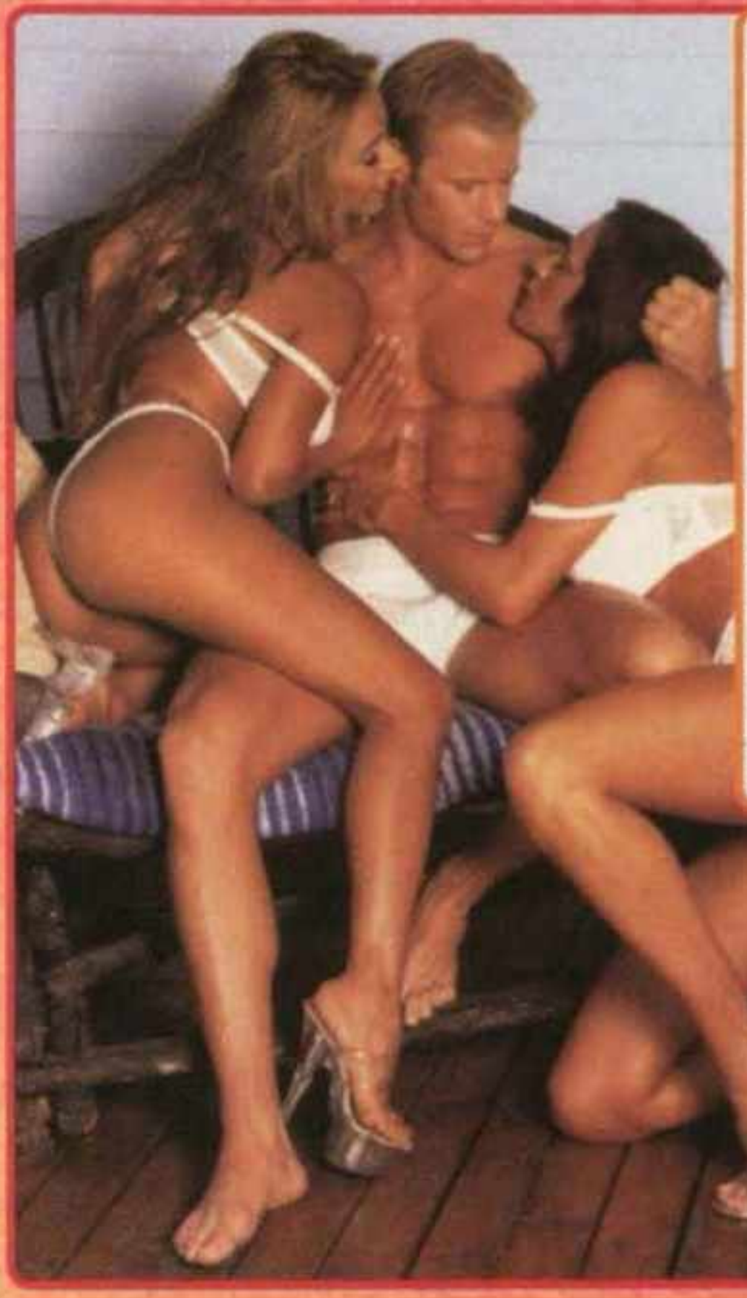
REACH NEW SEXUAL HIGHS!

SUPERCHARGE YOUR SEX LIFE WITH THESE PROVEN PRODUCTS FOR MEN & WOMEN



AMAZING NEW RUB-ON CREAM MAKES YOUR ERECTION INCHES BIGGER!

And It Happens In Less Than 10 Minutes!

We truly do live in the age of sexual miracles from the pharmacy. And now, directly from an ancient Chinese formula comes a new wonder for American and European men – an easy way to make their erect penis visually and measurably bigger than it usually is. *Finally there's a substance that will do exactly that!* It works for virtually every man. It swells and engorges most erections to as much as 50% above usual size. *Smaller organs, percentage-wise, may get even bigger!*

MIRACAL FORMULA: THE NEW MIRACLE YOU'LL WANT TO TRY!

You'll thrill to see your new plumped up size! Your partner will be ecstatic from all the new sensations that come from your magnificently magnified organ. In fact, no matter what your size is now, **Miracal Formula** will make your erection enormously bigger – *in about 10 minutes!* Better yet, the more you use **Miracal Formula** the faster it will work for you!

PERFECTLY SAFE – NEEDS NO PRESCRIPTION

Please understand, your penis will not permanently remain up to 50% bigger. It will diminish to its usual size until once again you reach for the tube of **Miracal Formula.** But because **Miracal Formula** is so safe you can use it over and over again without fear of side effects.

FIND OUT HOW MUCH BIGGER YOU CAN ACTUALLY GET!

Most men think they've already seen their biggest erection. The fact is most Western men rarely ever reach their full potential. **Miracal Formula** fills in the gap between the usual and the truly stupendous. Prove it two ways, length and girth – before and after – with your eyes and with a measuring tape. *(The greatest percentage of increase will probably be in circumference, by far the most important measurement in pleasing your partner.)* If you are sincerely interested in having your erection appear obviously bigger – a size increase you can actually confirm with a measuring tape – *you need to order your personal supply of* **Miracal Formula** *right now!*

WHY DO WESTERN MEN MISS OUT IN THE PENIS SIZE GAME?

There are cultures in the world that revere large genital size and have evolved traditions and customs to produce large male organs. These cultures are found among tribes in Africa *(such as the Dinka tribe, supposedly possessing the largest male genitals in the world on average),* in the Amazon, and in certain tribes from New Guinea. Over centuries many cultures have devised specific techniques that definitely do enlarge the penis. For example, Arabian boys were once routinely taught to practice "jelqing" *(a penis stretching technique)* even prior to puberty. On the other hand, in Western cultures boys have been discouraged from even touching their penis. Western men are generally ignorant about extracting the "hidden" penis *(which resides within the body),* increasing the capacity of the erectile chambers or increasing the size of the head. The result is that most men in Western cultures simply don't know their true size potential. We believe you will be more than pleased with what **Miracal Formula** will do for you – *and it's so safe, so fast, and so easy to accomplish.*

A SEXUAL STIMULANT OF EXTRAORDINARY POWER!

THE AMAZING HEMP PLANT!

As a plant, hemp is one of the most useful plants we have: the oil and seeds are used in cooking; it's fermented to make hemp beer; rigging on ships was manufactured from hemp fibers and is used today for fabric; the oil is used in cosmetics. Now, with **Hemp Sextiva,** the medicinal effects are available to men. *(Under law, all hemp used in the USA is imported from other countries.)*

WHAT MAN OF ANY AGE WOULDN'T WANT TO USE A NATURAL SUBSTANCE THAT...

- *Enhances the flow of blood to the genitalia – filling out erections*
- *Stimulates the production of vaginal fluid in females*
- *Amplifies sexual sensations and delays ejaculation*

That substance is now available in tablet form, manufactured of entirely natural ingredients from the hemp plant. Hemp *(also known as Cannabis Sativa)* has powerful psychological and physical effects on man.

HEMP DOES EVERYTHING TO MAKE SEX BETTER!

Used medicinally for centuries, there is abundant testimony to hemp's unique effect on sex. Erections become harder and firmer – *then last and last under extreme stimulation!* Sensations seem to magnify and intensify incredible levels of ecstasy! Ejaculations are delayed, building in force and quantity so when they do explode *the inner thunder is an all-consuming and pervasive sexual bliss.*

HEMP FOR SEX – AN ALL-NEW SEXUAL THRILL!

Our **Hemp Sextiva** tablets are manufactured from imported Cannabis Sativa L containing <1% of the active ingredient THC. Men report that ingestion of hemp containing 1/3% THC on a regular daily program offers profound sexual and health benefits. They extol hemp's ability to generate sexual desire *(libido),* magnify climaxes, and provide extraordinary orgasmic control. No undesirable side effects reported by regular users.

PLATINUM
PREMIUM HARDCORE FOR THE VIDEO CONNOISSEUR!
HAPPY BIRTHDAY - A hardcore feature brimming with over 2 hours and 45 minutes of raw sex and hot babes that are on every stroker's wish list. Holidays only come once a year; with Happy Birthday, every day is a pussy party.
BRAZILIAN SNAKE - A full-length XXX feature jam-packed with action, intrigue and balls-to-the-wall screwing. Watch out. There's no antidote to the toxic arousal these drop-dead gorgeous fuckers will inject.
ARSENIC - Lust and murder make a volatile mix in Arsenic. Director Pierre Woodman takes you to the well-heeled suburbs of Paris in this hardcore thriller. Anal action and aggressive fucks ooze from every frame of this big-budget XXX romp. If tepid smut bores you, Arsenic is the cure.
BRAZILIAN SNAKE #2 - The action-packed conclusion of Woodman's two-part XXX thriller. Return to Rio de Janiero where this twisted tale of crime, betrayal and carnal fireworks comes to a head.

DOCTOR DISCOVERS PILL TO ENLARGE YOUR PENIS!

PRO+PLUS PILLS WILL WORK FOR YOU!
WE OFFER A 100% MONEY BACK GUARANTEE!!

No Pumps, Exercises or Prescription!
Doctor Approved Pill Will Enlarge Your Penis up to 4 Inches!

"This pill really works. I am now a harder 9 inches, which makes me feel good about myself. Besides wanting to be bigger, I always got soft to soon. Now that doesn't happen anymore. I'm hard like a rock from start to finish. I don't stop until she says 'you are terrific' and cums right along with me." -JS, Ohio

You Will Have These Penis Gains In A Few Weeks!

Just imagine when your sex partner sees how thick and long and hard you are. How about when men will gasp with envy the first time they see the new you in a locker room, shower or gym. Your larger penis will give you the confidence to meet the challenge of any woman. Penetrate deeper and see just how much greater satisfaction your sex partner will have. You will feel in total command because now any possibility of going soft, and premature ejaculation will be eliminated with your new rock hard much larger penis.

HOW DOES PRO+PLUS PILLS ENLARGE YOUR PENIS?

The corpa cavernosa are the two spongy bodies of erectile tissue on either side of the penis. An erection is caused by blood filling the erectile tissues. But what if the erectile tissues were made larger? What if you could somehow expand the size of the erectile tissues? Then of course the erectile tissues would hold more blood and you would have a significantly larger penis. Blow up a balloon with more air and you have a larger balloon. Fill the erectile tissues with more blood and you have a larger penis. Without any effort on you part, without any exercising, pumping or stretching, PRO+PLUS PILLS will expand the erectile tissues longer and wider and fill the erectile tissues with a larger supply of blood so that your penis will gain up to 4 inches in what has been described as a miracle. **You can make that miracle happen.** You can have the penis size you always dreamed of with the PRO+PLUS PILL and we GUARANTEE IT!

IS YOUR PENIS SIZE AVERAGE?

You probably have heard or read somewhere the average penis size is about 6 inches. If your penis is 6 inches and you want to be average then don't read any further. But if your not satisfied with an average or less then average size penis, the PRO+PLUS PILLS will help you grow up to 4 inches and it is perfectly safe and it is your secret because you can take the PRO+PLUS PILLS without anyone knowing that you are taking it.

HOW LONG WILL IT TAKE TO ENLARGE YOUR PENIS?

In a couple of weeks the most noticeable change will be the width of your penis and longer lasting erections. Then after a month or two you will see a change in the length of your penis and again you will notice a thicker and wider penis. As you stand in front of a mirror you will be amazed even without an erection how your penis wil 'hang' longer and thicker. After the third month when you have an erection you will see a very noticeable change. Not just in size but your penis will look firmer, stronger then you ever dreamed possible. **No pill sold anywhere can give you the maximum potential you want in two months.** Why settle for less when you can have much more. You need **three to four months** to grow to your maximum potential and we offer special prices for a three or four months supply with a **100% MONEY BACK GUARANTEE AND FREE OFFER!**

WHAT EXACTLY IS THE PRO+PLUS PILLS?

Discovered by Dr. Dmitri Zorken and his research team PRO+PLUS PILLS is a powerful natural herbal penis enlargement formula that increases penis size, stronger erections and maintains your sexual virility. Combining the formulations of the type of herbs found in many parts of the world that can enlarge the penis erectile tissues. We also included some of the same type of herbs found in Polynesia where the men of the Mangaian tribe have sex on the average of 3 times a night, every night. While this is not what you may wish, it is nice to know your sexual performance can improve substantially.

HOW BIG IS BIG AND HOW MUCH DO YOU NEED TO SATISFY YOUR PARTNER?

Consider the difference between a 7, 8 or 9 inch penis that is thicker and a penis that is 4 to 6 inches and narrower. With a larger penis you penetrate more sensitive areas of the woman. Your longer penis probes deeper searching those special nerve endings. The added width to your penis fills and presses her from side to side to give your partner the most exhilarating sensations. **It is possible for you to reach the most sensitive area of all, a woman's G-spot.** These sensations will produce for a woman the ultimate multiple orgasms. At the same time because you are reaching a woman's most sensitive areas with your larger penis you will receive more pleasure to your sensitive nerve endings. Just knowing you are giving your partner this pleasurable experience will certainly give you the added confidence of being a better lover.

WHAT WILL THE PRO+PLUS PILLS DO FOR ME?

- A longer, thicker penis. Penis Enlargement up to 4 inches or more
- A longer, thicker penis even when you are not hard. Because there is more blood flow to the penis, your penis 'hangs' larger all day.
- You will have bigger, harder erections. Because of increased blood flow your erections grow harder.
- Erections when you want them. Rock hard erections every time. No more problems because you can't get it up and keep it up. PRO+PLUS PILLS will keep the blood flowing to your penis so you will always get hard and stay hard.
- Stronger and more intense orgasms
- Stop premature ejaculations
- Safely enhance the size of your penis.

WILL THE PENIS ENLARGEMENT BE PERMANENT?

Yes it is and you control the growth because once you reach your optimum size you could stop taking PRO+PLUS PILLS for Penis Enlargement. We say you could stop taking the PRO+PLUS PILLS because it is not necessary to be larger then 9 or 10 inches. Most women can only comfortably accommodate a 9 or 10 inch penis. Anything larger then that may be too large for most woman. Nine inches or more than 9 inches, the choice is yours.

DUAL ACTION EXCLUSIVE FEATURES!

Penis Enlargement and Continued Sexual Health!
Take PRO+PILLS first for Penis Enlargement to reach your optimum size. After that continue taking only one PRO+PILL daily to improve your sexual health, feel younger, increase sexual desire, gain more stamina and greater sexual pleasure. We Offer a **100% MONEY BACK GUARANTEE.** Do you trust buying penis enlargement pills from a pharmacy or drugstore or from our research company PLUS MEDICAL an International Company in business for over 30 years.

Fresh From the Net

by Scott Faymer

Chances are that whoever drafted the first marriage vows didn't have hard-core Web sites in mind when he did so. Or did he? Was the phrase "to have and to hold" really just a euphemism for "TO HAVE filthy sex with hubby while his friend is in attendance TO HOLD the camcorder"? Does "love and honor" apply to a seemingly straitlaced wife's need to document her colossal addiction to cock for the entire planet to download? Probably not. But they do it anyway.

www.WifeysWorld.com

Wifey sure has a hankering for dick in her mouth, especially when she knows there's an audience hanging on every lick at her husband's meat silo. "I really get off knowing that many men, women and couples are getting off watching us doing the things that we love to do," says the slutty, mammoth-chested bride. "We fuck and suck, and have one hell of a good time doing it."

More than just fulfilling their exhibitionist needs, however, Wifey and her consort hope to elevate the genre of amateur Internet porn.

"My husband and I used to look on the Internet for quality erotica," explains Wifey. "Unfortunately, 99% of what we found was terrible! We knew that we could do better. The Net has been the perfect vehicle for us to show off and do what we truly love." And their site is the perfect destination for fans of natural 36DD, dick-smooching, jizz-gobbling wives with appetites for sexual debauchery as hefty as their pendulous milk sacks.

Wifey isn't bashful when it comes to dick. Her penchant for swallowing pole is quite evident in high-quality videos and photographs. Moreover, you won't find any timid sperm-dodging at WifeysWorld.com.

"I am definitely not one of those girls that does the 'duck and cover' routine when I accept one of hubby's prodigious loads," reveals Wifey. "It always cracks me up to see the look of horror some women show when their guy starts to ejaculate! That's not me. If you like watching a naturally buxom woman having sex, giving long, loving blowjobs and swallowing very heavy loads or receiving extremely messy facials, we think you've found your site!"

We certainly have.

www.MyBlackBride.com

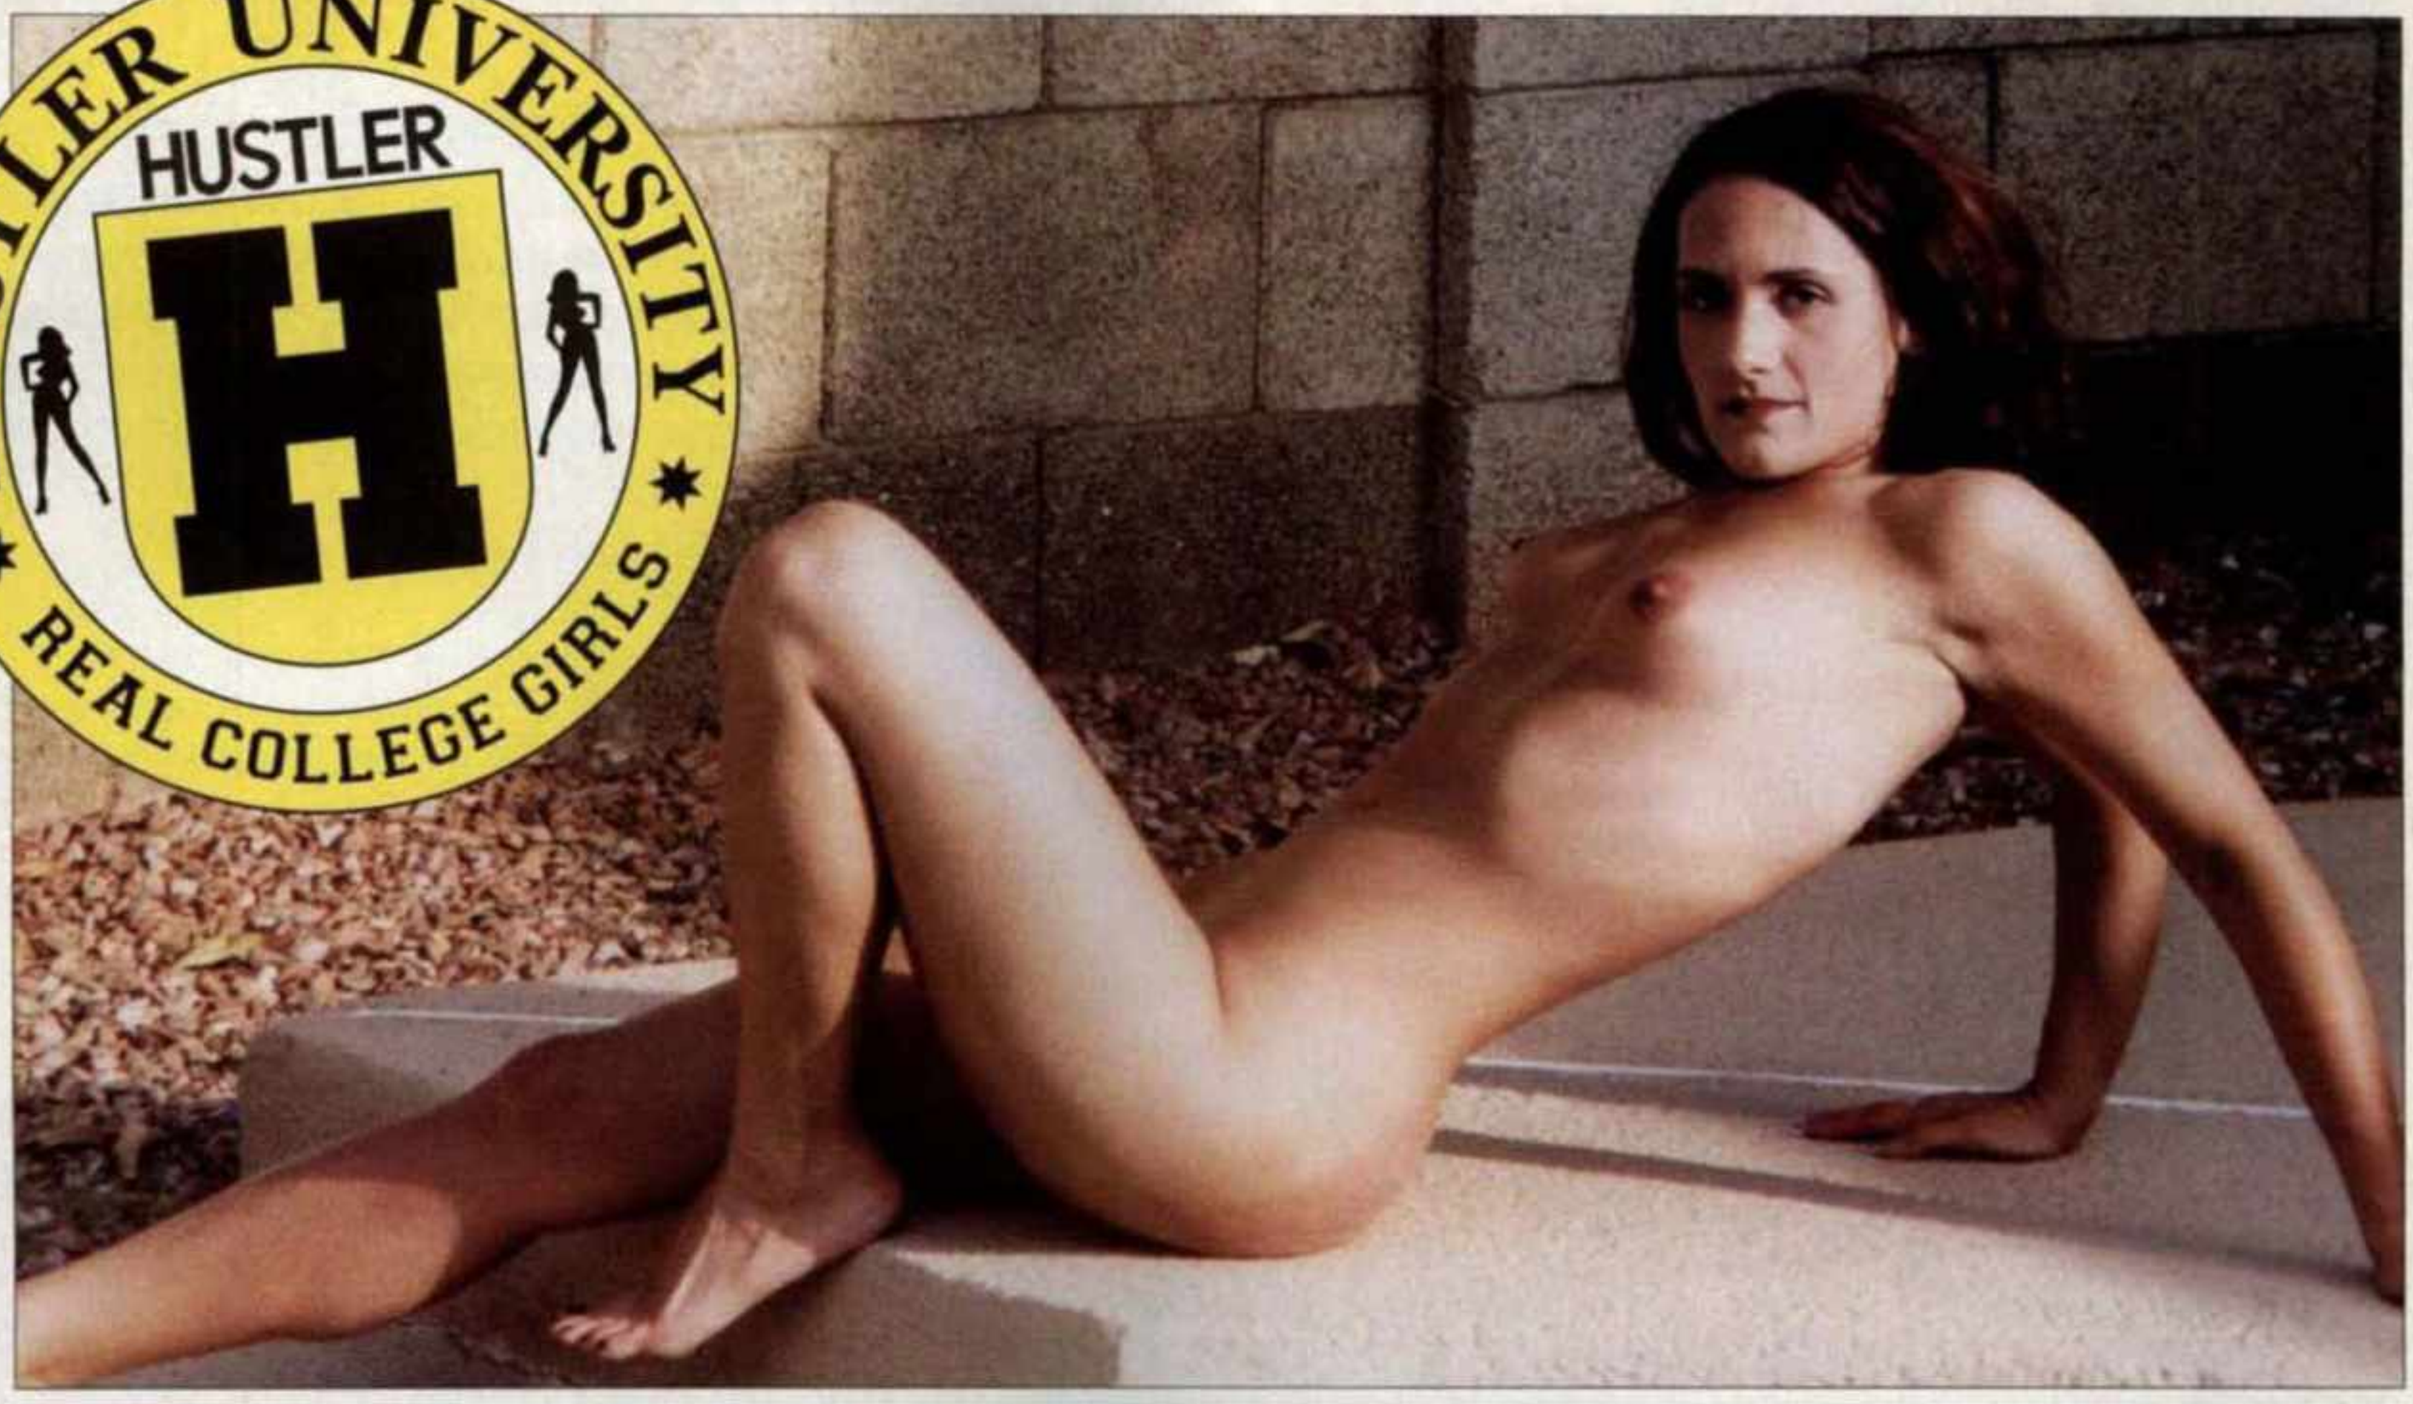
"I know my man considers himself lucky to have his own personal little black, sperm-eating nympho," gloats this Nubian amateur sexpot. "But to me, I am the lucky one, getting to swallow all the hot, sticky cum his hard, white cock can deliver."

And so begins our journey into this interracial couple's wet-and-wild sexual endeavors, replete with mass cum-gulping and hard-as-nails cunt-pounding. This bound-by-law team gives hearty, balls-out performances represented in a variety of pics and vids splashed throughout their site.

The chocolate wife's devotion to her spousal duties makes this site a true stroker's paradise. "I am totally committed to getting him to shoot the largest loads he can, both in my mouth and all over my body," enthuses the blowjob queen known as My Black Bride. "Hubby loves to see me suck and fuck his big white cock. I am always very eager to do whatever it takes to satisfy his every kinky desire."

This hitched sista and her lucky hubby began broadcasting their goods on the Web due to an obvious boredom with a normal, spectatorless sex life. The added thrill of capturing all the hot sexcapades on film allows them to satisfy every one of their naughty, sticky urges to their hearts' content.

"I am obviously very anxious to see what he's got in store for me, every time," discloses this vanilla-loving, fly-ass bitch. "To be honest, my pussy gets wet when I even think about it!" And our dicks get hard just thinking about her thinking about it.



Oola is a 27-year-old student at **Arizona State University**. Although she doesn't belong to any clubs or societies, the third-year business and biology major keeps busy outside of the classroom by working out, four-wheeling and reading, all while maintaining a respectable 3.0 grade point average. Besides getting caught having sex in public, Oola fantasizes about "having my pussy slapped with a belt."

—Photo by Friend

SUSAN

A mother/student from Greenwood, Indiana, Susan is a second-year business administration major at the **American Intercontinental University**. This scholarly vixen with a 3.81 grade point average lists her hobbies as "self-pleasure, eating pussy, giving blowjobs, swimming and cooking." Although she admits that her first sexual fantasy of "having another woman join me and my husband" has already been fulfilled, she also dreams of "being featured in HUSTLER, showing my cute little bod to millions." Looks like you're two for two now, Susan.

—Photo by Husband

NICOLE

Albuquerque, New Mexico's own Nicole is a second-year nursing student at the **Albuquerque Technical Vocational Institute**. (As you can tell from the photo, she's in the early stages of developing her bedside manner.) Boasting a 3.2 grade point average, Nicole, 28, is a TVI Advantage Scholarship winner. The carrottopped brainiac's hobbies include waterskiing and dancing, and she lists her sexual fantasy as, "To be with two women."

AMATEUR PHOTO/VIDEO CONTESTS

$5,000 IS UP FOR GRABS

Guys, we need you to be HUSTLER's campus point men in our ongoing search for new, untapped Beavers. Do you know gorgeous college students who are over 18 years of age? We're looking for readers to recruit babes for the *Real College Girls* division of *Beaver Hunt*. The process is easy; just snap a couple of clear, sexy—the more explicit the better—photographs (digital shots are cool too, as long as they're high resolution and printed on photo-quality paper). Send them to *Real College Girls*, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Every female whose picture sees print will receive a $250 honorarium, as well as a slot in HUSTLER's 2003 *Beaver Hunt* competition and a chance to appear in the video version of HUSTLER's *Real College Girls*. Finalists score $1,500 each, and the Grand Prize winner will appear in a HUSTLER photo-feature and earn $5,000. The photographer of the Grand Prize winner scores $500, and the Finalists' photographers earn $250. All photographers of models appearing in *Real College Girls* receive a one-year subscription to HUSTLER. Ask the girls to fill out the model release below, and include copies of two legal forms of ID and a current college ID. The model's photo, date of birth and signature must appear on the IDs (not necessarily all on the same one). All photos become the unreturnable property of L.F.P., Inc. No essays are required, but if your model can come up with something sexy, tell her to knock herself out.

MODEL RELEASE/ENTRY FORM

To enter *Real College Girls* or *Video College Girls* you must be 18 years of age or older, and you must fill out and send this release and copies of two forms of ID, one with photo (i.e., driver's license, passport or photo ID issued by state). Second ID can be a birth certificate, Social Security card, credit card, marriage certificate or immigration card. One ID must include your date of birth, and one must include your signature. Send photocopies, not originals. Send two or more sharply focused color prints or slides. Send videotapes in VHS format. Showing pink is optional at entry stage. All photos and videos become the unreturnable property of L.F.P., Inc., which buys all rights in perpetuity to photos and videos we purchase. Win $250 if we publish your photo, or $500 if we choose your video, and win the chance to be in an extended pictorial or feature video worth $5,000. Send photos, videos, IDs and release to *Real College Girls*, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211.

"I owe Paul $20, and Peter said he'd pay $20 to fuck me; so I guess I'll have to fuck Peter to pay Paul."

Bar Bitch's Daughter

A couple of weeks ago I met Linda, a woman in her 40s, at a local bar and boinked her that night. She was well-preserved, with curly black hair and the ass of a much younger woman, and it was a pleasure fucking her doggy-style till 4 a.m. But Linda's loose, grudgingly moistened snatch couldn't compare to that of her daughter, Ashley.

I discovered this fact in the morning, when I awoke in their little apartment to find Ashley, a willowy blonde in her early 20s, scrubbing the floor of Linda's shower in the nude, her hair wet. The girl was bent over, allowing a tuft of straw-colored muff to show along the bottom of her clam, which was pointed provocatively in my direction.

I was tucking in my shirt at the time and, still unnoticed by the younger woman, I stroked my cock a bit, savoring the sight of her fresh, young pussy.

When Ashley straightened up, she caught a glimpse of me in the corner of her eye and wheeled around. As worried as I was that the young cunt would freak out over a stranger standing behind her with his dick out, I couldn't help noting that, while her butt was good, her tits were awesome. Best of all, she wasn't at all surprised by my presence.

Ashley introduced herself and told me that her mother was at work. The stunning young woman made a halfhearted grab for her towel while hungrily eyeing my boner. I grabbed her still-damp shoulder and gently maneuvered the willing slut against the sink, bending her at the waist until the pert folds of her slit showed between her ass cheeks. I prodded the folds of her clammy, fleshy twat with my finger, making her gasp and rotate her hips slightly. Kneading the young girl's smooth, small ass, I crouched and slipped my tongue between her nether lips.

Unlike her mother's semi-arid gash, Ashley's snatch had plenty of juice, and it flowed promptly. The supple blonde's dewy lust socket was tight, but it graciously widened to admit my tongue. Working a finger into her slippery, cramped hole, I lapped lower, toward her prominent clit, then higher, toward her asshole. What the fuck—she was clean. Sliding my digit in and out produced more uneven breathing in the naked cutie. I twiddled my finger as if I were stirring a beverage, and the fresh young blonde moaned.

The odor of recently soaped flesh was being replaced by a fresh-pussy smell that, sadly, mature women can't produce. Ashley's feminine ooze trickled down her inner thighs as I finger-fucked her. Her mom had been accommodating, but she wasn't in Ashley's league.

"Fuck me doggy-style!" Ashley rasped. I gladly worked the tip of my rod between her labia and, through a series of thrusts, managed to gradually shove the whole thing into her viselike, syrupy flue, then drilled into her rhythmically.

"Fuck me doggy-style!" Ashley rasped. I shoved my cock into her viselike flue and drilled her rhythmically.

The blonde announced that she was about to come, then stayed on the verge for several minutes while I worked her hole with Swiss-clock precision. When she did go off, her juices sprayed all over us. My hard cock continued to slam into her, prolonging her heaving climax.

The clever girl got her bearings in a minute and, disengaging, knelt before me. She licked my boner slowly, twirling her tongue around the base of my shaft, then opened her yap and took nine inches of schlong down her throat. I was impressed at just how many collisions with her esophagus I enjoyed before Ashley gagged and came up for air. She inhaled and went back to work, drawing the thickest, most voluminous load from me that I can recall. I launched at least 20 good spurts down her gullet before I removed my prong from the waiflike cocksucker's mouth and painted each of her cheeks.

As the soiled maiden limped back into the shower to clean herself off yet again, I realized that it might be awkward to run into Linda after I'd fucked her daughter, and I enjoyed myself much more with the younger slut than her merely adequate parent. I practically sprinted out of Linda's apartment. To make sure I wouldn't have to confront an angry mother, I found a new bar to frequent.

COMING NEXT MONTH IN HUSTLER

CHRISTOPHER HITCHENS
A LIBERAL BAD BOY'S SHARP RIGHT TURN

Political pundit Christopher Hitchens is well-known as a fierce advocate of progressive ideals. Now the *Vanity Fair* scribe, former *Nation* columnist and frequent guest on Chris Matthews's MSNBC show *Hardball* has written *A Long Short War: The Postponed Liberation of Iraq*, a defense of Dubya's estimated $200-billion grudge match against Saddam Hussein. How has the man who once lambasted Mother Teresa for not being compassionate enough come to embrace an unprovoked attack on a sovereign nation? Find out in a provocative interview with HUSTLER correspondent Ed Rampell.

DAVID CROSS
STANDS UP TO POWER

In a time when most performers are afraid to stir up controversy, stand-up comedian David Cross has become more political than ever. Best known for the HBO sketch comedy series *Mr. Show*, Cross pushes the envelope—much like Lenny Bruce, George Carlin and Bill Hicks before him—with his live act, which is captured in all its bilious glory on his breakthrough comedy CD, *Shut Up You Fucking Baby!* Hear what the funnyman has to say about our not-so-funny leaders in a one-on-one interview with HUSTLER Editorial Director Bruce David.

KINKY MANNEQUINS

Part-pervert, part-artist, photographer Lanning Gold cruises by lingerie-shop windows and creates striking images out of their dirty mannequin displays. Marvel at the startling results and peek into his twisted mind in a HUSTLER profile by Stephen Lemons.

TOOLS FOR TWATS

Sometimes a simple vibrator just can't get the job done. How about a hulking machine called the Intruder, which looks like an anatomically correct mechanical bull? HUSTLER reporter Scott Fayner takes a couple of Honeys to the San Francisco offices of a new company specializing in elaborate, mechanical sex toys to test-drive the next step in robo-sex.

VEGAS STRIPPERS UNITE

Transsexual nude dancer and labor organizer Andrea Hackett formed the Las Vegas Dancers Alliance in an effort to unionize Sin City's thousands of strippers and nude entertainers. Tackling exploitative labor practices has pitted her in a head-on battle against Vegas's local government and the corporate gambling interests that control it. *Nation* Contributing Editor Marc Cooper lets the story fall into his lap.

SOUNDING OFF

HUSTLER expands its music coverage with monthly features and columns by new editor Nancy B. Sayle. Find out what the legends of rock are up to in exclusive interviews, and discover which up-and-comers will be destroying your hearing in the future.
